PASTOR ROGER A. RIOL A WELL TRAVELED MAN OF GOD

By Louise H. Jordan
SENTINEL Church Reporter

Pastor Roger A. Riol has recognized, as did Jesus, the need for laborers in the vineyard. Matthew 9:35-38 states thusly: And Jesus went about all cities and villages, teaching in their synagogues and preaching the gospel of the kingdom and healing every sickness and every disease among the people. But when he saw the multitude, he was moved with compassion on them, because they fainted, and were scattered abroad as sheep having no shepherd.

Then saith he unto his disciples, The harvest truly is plenteous but the laborers are few; pray ye therefore the Lord of the harvest that he will send forth laborers into his harvest.

So Pastor Riol accepted his harvest calling others into the vineyard. Evangelistic Services will be hosted by Rev. A.J. Thompson and other local pastors through the efforts of Rev. Bervin Oats and Evangelist Theresa Hatcher. Services will be conducted on November 17 at 11 a.m. November 20 and 22 at 7 p.m., Victory Baptist Church, 500 West Monroe Street.

Pastor Roger A. Riol received Christ in 1971.

Since that time he has studied at the French Bible Institute in Paris, France for three years. He has also pastored the Evangelical Christian Mission since 1977 and traveled as an evangelist throughout the French speaking Caribbean. He is married to wife Simonise and has been for 22 years. They

are the parents of three daughters.

Prayers from all saints of God are requested. Las Vegas is asked to support these services. The messages will be delivered in French and interpreted in English by a UNLV student. All denominations, non-denominations and those seeking to be saved are invited.

The messages will be entitled "The only shelter for the man of the twentieth century."

Come and make this man of God. Know that he is welcome to the city and to this country as he does as the scripture commands: "Go ye therefore into all the world and preach the gospel unto every creature." If we do our part, we know that men and women will surely be saved.

Fautroy Opposes Aid to Angolan Insurgents

Today, Congressman Walter E. Fautroy joined the Washington Office On Africa at a press conference to announce their opposition to providing assistance to South African backed insurgents in Angola seeking to overthrow that country's government.

Speaking for the twenty members of the Congressional Black Caucus (CBC), Congressman Fautroy said, "We believe that any such assistance

whether covert or overt, would definitely ally the United States with South Africa's racist regime. To aid in the war against the people of Angola and Namibia would compromise our policy of pressuring South Africa to end apartheid and its illegal occupation of Namibia, and threaten American interests throughout Africa."

"Support for assistance to South African supported National Union for the Total Independence of Angola (UNITA) would undo all the good we have accomplished in the Congress with the Anti-Apartheid Act of 1985, H.R. 1460," stated Fautroy. He identified UNITA as playing a combat role inside Angola and involved with numerous ground and air assaults from their bases in illegally occupied Namibia.

As Chairman of the CBC Braintrust on Voter Participation and Network Development, Congressman

Fautroy announced that he and CBC Chairman Mickey Leland will activate the Action Alert Network to resist these unwise proposals.

The CBC is also encouraging Members of Congress to co-sponsor a bill to be introduced next week by Congressman Ted Weiss (D-N.Y.) that would prohibit assistance for military or paramilitary operations in Angola.
