Union members urged to file job complaints

All EEOCV, Local #357 and J.A.T.C. members: This appeal is made to Union members and apprentices of Electrical Union Local #357 to file complaints if you feel that you have been discriminated against because of your color.

These complaints should be sent to EEOC, 3660 Wilshire Blvd., Los Angeles, California 90010, c/o Atty Marilyn B. Hardin.

If you have been denied membership in the Union or the apprenticeship program or terminated, demoted or suspended without just cause or due process, this may be the basis of a complaint.

If your work assignment or work product has been evaluated or accessed differently from that of white members, this kind of disparate treatment may be a good reason to file a complaint.

The Union and J.A.T.C. have filed a motion with the court to dissolve the 1973 decree claiming that they have met the goals of the decree in that minorities now constitute 9.5 of the Union membership and are now being referred for work without regard to their race, sex, or national origin.

NAACP "Opportunity 85" Seminars Conclude In Los Angeles

The NAACP will hold its fifth and final "Opportunity 85" Black Business Seminar in Los Angeles, California on November 14-15, 1985, at the Holiday Inn Crown Plaza Hotel.

Sponsored by the Economic Development Department of the NAACP, under the direction of Fred Rasheed, these seminars were designed to bring corporations that have signed Fair Share Agreements together with black entrepreneurs and business representatives to discuss contract opportunities. They also expose the signatory companies to additional black suppliers who have the potential to supply goods and services to major corporations.

The Honorable Tom Bradley, Mayor of Los Angeles, will welcome attendees, along with Raymond Johnson, President NAACP Los Angeles branch and Virna Canson, NAACP Region I Director. William F. Gibson, Chairman, NAACP Board of Directors, will be the keynote speaker for the corporate luncheon. Presentations on procurement opportunities

will be made by the Adolph Coors Company, Hardee's Food Systems, Inc., K-Mart Company, McDonald's Corporation, Pacific Bell, Inc., Safeway Stores, Southern California Gas, United Airlines, Walt Disney,

and Wendy's International, Inc.

Previous seminars were held in Atlanta in March and Dallas in June, Detroit in August, and Atlantic City in October. All black

businesses and entrepreneurs from around the country are invited to participate in these business opportunity seminars.

Attendees from previous seminars ranged from small

businesses providing specialty products, such as plaques and trophies, to professional management services, to construction trades and computer software and hardware producers.

How Coors keeps Anthony Elmore

**kickin'
pumpin'
hittin'
& scorin'.**

Anthony Elmore is really getting a kick out of full-contact karate.

He's champion, king of the Super-Heavyweights, in a sport he's ruled for the last three years.

Coors knows that's no mean achievement, and that's why the 'Electrifying Amp' Elmore is in our corner.

Coors is his sponsor. We're thrilled to be helping the 'Amp' take his exciting sport across America.

So if you ever have the opportunity—don't miss the charge of contact karate—and the man causing it—Anthony Elmore.

Outstanding talent must be free to stand out.
