Spinks

The Odyssey of Michael Spinks IBF World Heavyweight Champion

Born: St. Louis, Missouri, July 22, 1956. Height: 6'2½". Reach: 76". Record: 28 fights, 28 wins no losses, 19 KO's.

Michael Spinks doesn't make idle promises. It was before the "September to Remember" fight last year that Spinks promised to be the first light heavyweight champion ever to win the heavyweight title. Spinks told the press corp and others that he didn't take the Larry Holmes fight just to be another number on Larry's list. Holmes was reaching to tie Rocky Marciano's record of 49 straight wins. That was not to be as Spinks had his own unbeaten record going now, with the heavyweight crown in tow. He is at the peak of his career.

Spinks Odyssey began nine years ago with his first pro-knockout in Las Vegas. He won his first light heavyweight championship in July of 1981 when he won the WBA crown. Spinks has been a champion ever since. He became the undisputed

light heavyweight champion and now seeks to be the one and only world heavyweight champion.

The Odyssey of Larry Holmes Formr World Heavyweight Champion

Born: Cuthbert, Georgia, No-

vember 3, 1949. Height: 6'3". Reach: 81". Record: 49 fights, 48 wins, one loss, 34 KO's.

Former IBF Heavyweight Champion, Larry Holmes, is a very proud man. He is also an angry man! He feels strongly that his loss to Michael Spinks in "The September to Remember" bout in Las Vegas was wrong. That loss snapped a 48-win streak and stopped him from tying the mark of the late-great Rocky Marciano.

"They took that record away from me, but they won't be able to deny me the heavyweight championship which I rightfully owned for seven years when I win this time. I've had my own odyssey to travel and the journey is not over yet! On April 19, 1986, at the Hilton Hotel and Casino (Note that date because this time I will write the right history) I will regain the crown with a knockout and a victory. This time I intend to stop him from running and if he isn't ready to fight I will end it quick!"

Holmes is determined to prove he "still has it." That there's still bounce in his legs, power in his punches, to go along with one of the best jabs in the business. The Easton Assassin, is "chomping at the bit" to set things straight and possibly, this time, retire as a champion.

School Spring Sports Spectacular set for April 21

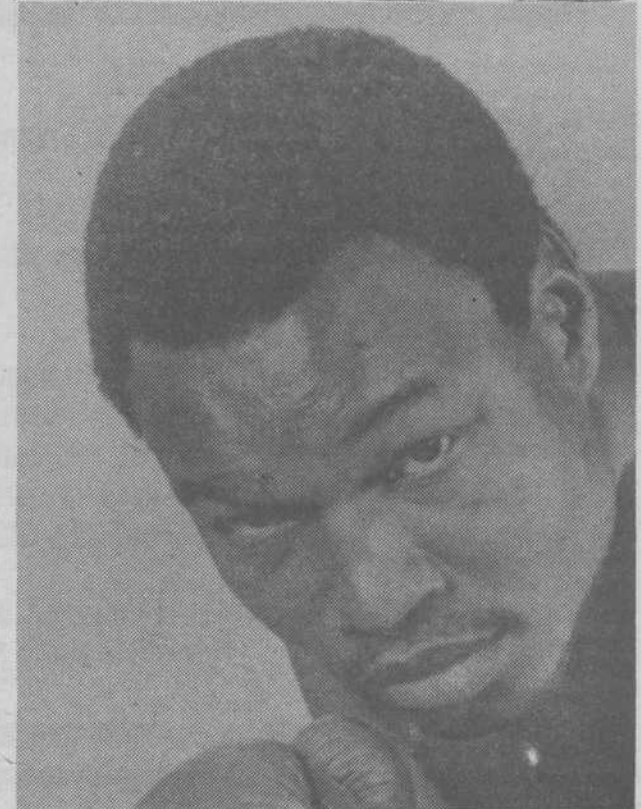

The Clark County School District will hold its First Spring Sports Spectacular for junior and senior high school adapted physical education students in the Clark High School gymnasium on April 21, from 3 to 6 p.m.

More than 100 students, representing 17 schools, will compete in the Spectacular which has been designed for students who cannot safely or successfully participate in the district's regular physical education program.

Unlike the Special Olympics Program, the Sports Spectacular provides a competitive skills and sports experience for youngsters with all types of disabilities, not only those with intellectual disabilities. Awards will be presented for achievement in a number of different fundamental skill events.

This unique sports program, co-sponsored by the Department of Special Student Services and the Department of Student Activities, is an outgrowth of the school district's Master Plan.

The public is invited to attend the free event.
