BELL STUDENT WINS POSTER CONTEST — Rex Bell Elementary School student Kristi Brown admires the world globe she received as a prize for winning the Fair Housing Poster Contest. At left, making the presentation is Clark County management analyst Sam Head while, center, Bell principal Herb Freeman looks on.

Vo-Tech Building Set For Sale

A student-built house will be sold at public auction Saturday, June 21, 9 a.m., at Southern Nevada Vocational-Technical Center, 5710 Mountain Vista Avenue. The minimum bid price for the house is \$20,800.

It is a three bedroom, one-and-three-quarters bath home.

The house was built from scratch as an annual project of the Vo-Tech Carpentry Class. Proceeds from the sale have traditionally been applied towards the purchase of construction materials to be used by next year's carpentry class — to carry on the traditions of building a house as an annual project.

A copy of the auction procedures and a full description of the house and methods of construction used in building it, may be obtained from the Clark County School District Purchasing and Warehousing Department, 4212 Eucalyptus Avenue. The house may be inspected daily from 8 a.m. to 4 p.m.

Keys and blueprints to the house may be picked up in the Vo-Tech office during the viewing period. Copies of the sale procedures also may be obtained in the school office, 799-7500.

ARBOR DAY VISIT — Woodsy Owl and his helpers, the Forest Rangers, visited the Bracken Elementary School Interlanguage Core class and the first grade classes to present a lesson about trees and conservation practices. The children then planted a pine tree on the school grounds followed by a field trip to Lorenzi Park and museum where they helped clean the grounds.
