Alex Haley
Journalist and Author

A Special Message from Alex Haley for minorities about careers in journalism

My career as a journalist began in my spare time with lots of desire and no formal training. Minority news professionals were scarce then and getting into the news business was tough.

Things have changed some, but not enough. There are still far too few members of racial minorities pursuing news careers or being given a chance to do so.

If you have talent as a writer, cartoonist, graphic artist or photographer and you're interested in a career in the news business call this number toll free: 1 (800) 331-1750. Ask for Operator 128. In Nebraska call 1 (800) 343-4300. You'll get free information from the Society of Professional Journalists. Remember, journalism needs minorities, and minorities need journalism.
