1986 International Holiday Mailing Dates Outlined

Las Vegas Postmaster Joseph Ryan announced today the holiday mailing dates for International Mail.

For those with relatives in the armed services stationed overseas, and those who wish to mail holiday greetings and packages to others living in foreign countries, now is the time to plan for holiday mailing, according to the U.S. Postal Service.

November is the month when most parcels shipped via Parcel Airlift Mail (PAL) should be sent. PAL packages are airlifted domestically to a gateway facility, then airlifted on a space available basis from the gateway to the APO (Army of Air Force Post Office).

Packages up to 30 pounds and 60 inches in combined length and girth may be sent PAL. Mailers pay the regular Parcel Post rate to the U.S. exit port or from the port of entry plus a fee for air service. The air service fee is 30 cents for parcels weighing two pounds or less, 60 cents for two to three pounds, 90 cents for three to four pounds, and 1.20 for four to 30 pounds.

November mailers can also ship military parcels by Space Available Mail (SAM). Items shipped by SAM are transported by surface means in the contiguous 48 states and flown on a space available basis from the U.S. to the overseas destination or from the overseas destination to the U.S.
