## SADD Promotes National Drunk and Drugged Driving Awareness Week

The Las Vegas High School chapter of Students Against Driving Drunk (SADD) will bring a dramatic flair to its recognition of National Drunk and Drugged Driving Awareness Week December 14-20.

The chapter, comprised of some 30 students, and their faculty advisor Jan Rhea, have worked out an agreement with Citywide Towing Company to display a wrecked automobile on campus underneath the school's marquee at 7th and Bridger.

The wreck is scheduled to be towed to the campus location at 9:30 a.m. Friday December 12 where it will be on display through December 20. SADD chapter president, Gina Ricardo will issue a brief statement and make some remarks.

According to Rhea, the SADD chapter decided on this novel approach to remind motorists of the dangers of drinking and driving, especially during the holiday season when such activity seems to be more prevalent.
