Ernie Johnson to Appear at Moulin Rouge Club

March 5 through 8 Willie Neal and Rolo Records will present Ernie Johnson live for the first time in Las Vegas at the Moulin Rouge Hotel's Club Rouge.

Six foot-five, 195 pound Ernie Johnson was born in Winnsboro, Louisiana on April 4th (Aries).

Ernie recorded his first single "Loving You," back in 1968. For the past five

years he has been entertaining in the Oakland/San Francisco Bay area. He just recently completed his new soon-to-be released album entitled "Just In Time" featuring the hit single by the same title.

His masterful control to tonal inflections take him from a sailing Al Green-like falsetto into a raspy back-of-the-throat bellow or into a

rich, deep baritone, and is truly astounding. He appears to bounce effortlessly from one tone to another. His new album is "must" buying for all music connoisseurs.

Ernie has appeared in clubs all across the country as well as many TV programs and talk show. He has appeared with such outstanding artists as Otis

Redding, Millie Jackson, Bobby "Blue" Bland, Z.Z. Hill, Al Green, Johnny Taylor, Little Milton, Candy Staton, O.V. Wright, Betty Wright, Jimmy Reed and many others.

His past recordings include "Big Man Cry," "Dreams To Remember," "For Your Precious Love," "Narc Man," "Drowning In Misery," "Old Man Blues," "Loving You," "Disco Music," "Bump It On Down," and "Faithful And True."

Titles on his new album are "Give Me A Little Bit Of Your Loving," "Party All Night," "In My Dream," "You're A Cold Woman," "Just In Time," "Mouth To Mouth Resuscitation," "Your're About To Succeed," and "You're Gonna Miss Me."

Ernie recently began his southern tour in Texas and is being backed by a nine piece band. Don't miss him.

BILLIE ROWE'S NOTEBOOK

Frats: "Shape-Up Racially or Shut Down"

NY CITY:—Vanderbilt University's sixteen fraternities and eleven sororities, two of each which are historically Black, have been issued orders to shape up racially or ship out. The administration's announcement made it clear that "Fraternities must make a

from over her head. Would you believe by a life long buddy of the ring legend. The story goes that the house was collateral for a loan from a big buck fight promoter who always reserved his best adjectives to express his admiration for the late champ. For some untold

good faith effort to integrate their chapters racially and ethnically or they will be shut down." Any in violation will be prohibited from re-registering unless their policies include a statement that they will not discriminate in selecting pledges and that selection will be made by current members only. A plan for integration and a method of implementation must also be included. Pi Beta Phi recently pledged its first Black female. This generated a joint response from Joe B. Wyatt, chancellor and Charles A. Kiesler, provost who said, "We are proud that Pi Beta Phi has pledged the first Black female. However we are distressed that it has taken this long and that only one sorority has done so."

WRITE NEWS:—This corner's spotters have tracked Martha Louis to a hospital in Detroit. The widow of the immortal heavyweight has allegedly had her Las Vegas roof sold

reason he sold the paper to this bosom buddy of the "Brown Bomber." When a streak of bad luck made more points on the ivory cubes than he did, he sold the house right from under Martha which explains her departure leaving no forwarding address...It's amazing the number of died-in-the wool democrats viber king Lionel Hampton is trying to convince that Veep George Bush is the man for '88...Sugar Ray Robinson's medic barred him from attending his mother's funeral. He feared the L.A. to the Apple jet flight would have endangered his failing health. His sister, Evelyn Nelson, is searching for an official ear to lodge a complaint. When two ambulance calls went unanswered they had to transport Mrs. Leila Smith to Misericordia Hosp. by car. She failed to survive the emergency operation for a possible intestinal blood clot.
