SCHOOL TALK

By Dr. Marshall C. Darnell

With the close of school rapidly approaching many parents have made inquiries about the summer school programs that are regularly conducted by the Clark County School District. Three different programs will be offered this year, an elementary program for students in grades K-6, a secondary program for students enrolled in grades 7-12, and a handicapped program which will be conducted at Variety School.

The elementary program has a tuition fee of \$70 and offers classes in:

1. Kindergarten, which is designed to provide reading and math experiences for children who are now enrolled in the kindergarten program.

2. Remedial instruction, for those children who are recommended by their present teachers to receive additional training in reading and/or math.

3. Resource room, which is a special class to be established if a sufficient number of students enroll, and

4. Enrichment courses in computer/creative writing, puppetry and language arts, bookmaking, music-movement and drama, art, shadow puppets-music-culture, and video productions.

Parents can obtain additional information about the programs and registration dates by contacting Janice Bennington at 799-7911. If you have given thought to having your child attend the elementary program the dates and times are listed as

June 22 through July 30, 1987. Students would be attending class from 8 a.m. to 10:30 a.m. on each of the regularly scheduled instructional days.

The program for students in grades 7-12 will be conducted at four locations; Basic High School, Las Vegas High School, Rancho High School, and Western High School. The cost for the secondary program will be \$70 for each one-half credit. Registration for the secondary program will be conducted on June 17-18, 1987. Scheduled classes will begin on June 22nd and extend through August 5, 1987. Additional information about the secondary program can be obtained by calling 799-5477.

Variety School will host a special program for the handicapped student. There are a number of provisions that must be followed for admission to this program and interested parents should contact their student's current school for information or call Dr. Donald McHenry at 799-5471 for a response to any question.

While most students are anxious to begin a welcomed vacation period there is an opportunity for many students to obtain instruction through enrichment or remedial programs during this time. The secondary school program offers many students an opportunity to enroll in a special interest class. Some students wish to complete one of the required courses and have an opportunity to enroll in an advanced course work during the

Veldon Law Appointed State Liaison

Veldon Law, Director of Community Education at Clark County Community College has been appointed State Liaison for Nevada to the National Council for Community Services and Continuing Education (NC-CSCSE). This appointment was made by Dr. Norma S. Tucker, NCCSCE President. The National Council on Community Services and Continuing Education was formed in 1969 as part of a community services project funded by the W.K. Kellogg Foundation. When the structure of the American Association of Community and Junior Colleges was reorganized in 1972, NC-CSCSE became one of its operating councils. Today it is one of the most active community college councils involving over 1,000 members in the United States and Canada.

State liaisons represent their states to the NCCSCE Board through ten Regional Representatives. They are involved in a national effort to encourage the growth and recognition of community services and continuing education in the nation's community colleges.

regular term. For what ever the reason, the summer programs are available for all grade levels. Costs for each class is minimal and through recent action of the Clark County Board of School Trustees a concerted effort has been made to maintain this quality educational op-

WHEN YOU MEAN BUSINESS

Do you have an idea to be your own boss but don't know where to begin? If the answer is yes, attend the New Business Workshop, co-sponsored by the Small Business Administration, SCORE, and the Clark County Community College.

The workshop is scheduled for Friday, May 8 from 9:00 a.m. to 4:15 p.m. at the Clark County Community College, 3200 East Cheyenne, North Las Vegas, Room 1068.

Speakers will discuss the Business Plan, IRS Responsibilities, Importance of Record Keeping, Legal Aspects of a Business, and SBA Programs.

Registration fee is \$10.00. For information and reservations, call the Clark County Community College, 643-6060, extension 200.

portunity at a reasonable expense.

The summer months may be a time of vacation for many students, it could be a most successful learning experience for many other elementary or secondary youth.

Planetarium Schedule Changes

The Clark County Community College Planetarium announces that it is changing the times at which public shows are presented. Beginning on April 30, The Planetarium will present programs at 7:30 p.m. every Thursday, Friday and Saturday evening. The Saturday matinee at 3:30 p.m. will continue to be offered.

Also beginning on April 30 is a dynamic tour of the solar system called Solar System Spectacular. Solar System Spectacular discusses much of the fascinating new knowledge about the solar system that has been discovered by the Mariner, Viking and Voyager spacecrafts. The Magic Egg is a hemispheric motion picture of computer graphics and animation which has been described as more exciting than most laser light shows. Both programs will be presented weekly until July 18.

Public presentations are at 7:30 p.m. every Thursday, Friday and Saturday evening. A matinee performance is offered at 3:30 p.m. on Saturday afternoons. General admission to performances is \$3.00. A discount is available for children, students, seniors, military and the handicapped with the presentation of appropriate ID. Reservations are recommended for groups of ten or more at most presentations (Call 644-5059 on Thursday through Saturday from 2:00 p.m. to 7:00 p.m.). Reservations will be held until ten (10) minutes prior to show time. All performances begin on time and there is no late seating. On clear evenings, a telescope will be available for viewing after the 7:30 p.m. performance. Schedule information is available 24 hours a day on the Astronomy Hotline at 644-5059.

The Planetarium is located at Clark County Community College in North Las Vegas at 3200 E. Cheyenne Avenue. From I-15, take Cheyenne Avenue east about one mile to the College. The Planetarium is just inside the south entrance to the building. Use the parking lot closest to Cheyenne Avenue.

Health Care Information Sessions Scheduled

Clark County Community College has scheduled two Health Care Career Information Sessions. The first will be on Saturday, May 2 from 9:30 to 11:00 a.m. and the second on Wednesday, May 6 from 7:30 to 9:00 p.m. These sessions will be held at the College's North Las Vegas campus at 3200 E. Cheyenne Avenue.

For additional information, call Dr. Douglas Sims, the College's Health Advisor at 643-6060, ext. 306.

Business Seminar: Are Your Employees Legal?

The Immigration Reform and Control Act of 1986 mandates that employers must take immediate action to achieve compliance regarding verifying, documenting, and attesting to every employee's employment eligibility if hired after November 6, 1986.

Employers may be found to be in violation of the Act if they are employing nonauthorized individuals. This seminar is designed to cover topics such as who must comply, the time frame for compliance, and liability for those who fail to comply.

The seminar is scheduled for Thursday, May 7, 1987 from 9 a.m. to noon at the Palace Station Hotel/Casino in Las Vegas. The cost is \$20.00 per participant.

To register or obtain additional information, phone 739-0852. Pre-registration is strongly recommended, as seating is limited.

This seminar is sponsored by the Nevada Small Business Development Center, a business development program of the University of Nevada-Las Vegas and the U.S. Small Business Administration.
