words often associated with the dynamic voices and music of **Jazzie**, headed by the brilliant talents of composer-entertainer Ron Stevenson. **Jazzie’s** music covers and incredible range of tunes from contemporary Top 40 to Broadway, as well as the music of the ‘40s and ‘50s. **Jazzie’s** sounds are filled with harmonies and arrangements that make every song a delightful experience of its own. Their energy takes audiences to the peaks of high-powered music over to the quiet moments of lovely ballads. As their voices blend and weave in the air, their bodies move and dance together to the rhythms that put that ‘special’ personality into each number. Always dressed to perfection, **Jazzie’s** appearance on the scene makes any moment not only sound wonderful, it gives the audience the feeling that they just stepped into a dream.

Jazzie’s successful formula

was created by entertainer Ron Stevenson, who has spent his life involved in music and the arts. Writing songs and singing since high school, Ron came from a family where singing was no stranger. While attending school in Newark, New Jersey, Ron sang with the All State Chorus and was to later win the Lincoln Center Student Award. Singing with the Baptists’ ‘Bells of Zion’ was great, but the real fun for Ron was when he started as a child protege of the late Dinah Washington at the age of 8, where he met some of the most respected jazz artists in the industry. As a lead singer, Ron performed with some of the best bands and vocal groups in the New York City area. It was in these early groups that Ron’s talents as a vocal arranger and songwriter surged forth. His energies are constantly creating and evolving with new music and lyrics that have proven to be the style that has made **Jazzie** stand out from any other group.

One of **Jazzie’s** hottest features are the magnetic voices and talents of Victoria Bentley and Kimberly Jackson. These two young ladies create a chemistry that admirably displays both their vocal experience and showmanship. Victoria’s background as a model and vocalist, and Kimberly’s vibrant personality and singing career have created an excitement that makes every show a high point performance. They highlight and enhance with their fantastic voices, elegant charms and handsome figures that keep their audiences coming back for more.

Jazzie makes beautiful music and memories for all listeners who have the pleasure of hearing them.
