WORDS OF LIFE

"The true light is . . . shining."
—I JOHN 2:8

I. Don't curse the darkness! Sometimes we may feel that this is more easily said than done. Yet cursing the seeming darkness gets us nowhere. Our text reminds us, even more importantly, that becoming dismayed at there seeming to be no light is utterly unrealistic as well.

II. There are many kinds of lights. There are red lights which tell us to stop. There are amber or yellow lights which tell us to be cautious. There are green lights which tell us to keep on moving straight ahead.

Then there are bright colorless lights which tell us, "All is well!"

III. God's light shines forever. Regardless of the "sidelights," God's true light shines forever. The Lord is to us a candle, said the Psalmist. "I am the light of the world," said Jesus.

God's light is in the face of Jesus . . . and Mohamet, and Ghandi, and Mama, and Papa . . . and all . . . never fails!

PRAYER POEM

The Congregational minister Thomas Benney (1798-1874) in 1826 wrote a celebrated hymn regarding God's light entitled, "Eternal Light, Eternal Light!"

Its words remind us of God's perpetual guidance along every step we take.

*Eternal Light! Eternal Light!
How pure that soul must be,
When, placed within thy searching sight,
It shrinks not, but with calm delight,
Can live, and look on thee.*

*O how shall I whose native sphere
Is dark, whose mind is dim,
Before the Ineffable appear,
And on my naked spirit bear
The uncreated beam?*

*There is a way for man to rise
To that sublime abode;
An offering and a sacrifice;
A Holy Spirit's energies,
An Advocate with God.*

*These, that prepare us for the sight
Of holiness above:
The sons of ignorance and night
May dwell in the eternal Light
Through the eternal Love!*
