## WORDS OF LIFE

In 1894, Arthur Campbell Ainger wrote a hymn of confidence in God's purpose being vindicated, regardless of the seeming obstacles. The hymn.m entitled "God Is Working His Purpose Out," is based on the text of Habakkuk 2:14, "For the earth shall be filled with the knowledge of the glory of God, as the waters cover the sea."

God is working His purpose out  
As year succeeds year;  
God is working His purpose out,  
And the time is drawing near;  
Nearer and nearer draws the time,  
The time that shall surely be,  
When the earth shall be filled with the glory of God  
As the waters cover the sea.  
All we can do is nothing worth  
Unless God blesses the deed;  
Vainly we hope for the harvest-tide  
Till God gives life to the seed;  
Yet nearer and nearer draws the time,  
The time that shall surely be,  
When the earth shall be filled with the glory of God  
As the waters cover the sea.

God is always doing and preparing for us better things than we desire or deserve. Have confidence that "all things work together for good" for those who live their lives in God. Worship publicly every week.

## LUNCH

From Page 5

was that sons, daughters, and grandchildren would accompany their parents and grandparents to the luncheon. "Parents are always proud of their children," said Wood. "They're always eager to 'show them off' so to speak. This event gives children the opportunity to reciprocate and 'show-off' their parents or grandparents or others who need love and attention," Wood added.

From the moment guests enter the ballroom at the Hacienda, their ease and enjoyment are the aim of the luncheon committee members. A smile is exchanged, a touch is shared, a word of welcome spoken — the rites of age and communion are established.

A special part of the Take a Senior to Lunch program will be the recognition shown in
