

## Coors and Sugar Ray Offer New Sports Wear

GOLDEN, Colo. — Adolph Coors Company and boxing great Sugar Ray Leonard are teaming up to offer mail-order customers a new line of active wear featuring Coors and the champ.

Offered by Exquisite Designs Inc. and Pony Sports & Leisure Inc., the line con-

sists of items personally selected by Leonard including boxing trunks, satin jackets, fleece wear, Gortex warm-up suits, leather athletic shoes, athletic bags, boxing shoes and sports socks. The items, ranging in price from \$4 to \$80, feature one of four logo designs: the Coors/Sugar Ray Leonard Boxing Team emblem, a silhouette of two boxers, Sugar Ray Leonard's signature or an embroidered bust of the champion boxer.

"We think young adults, especially boxing fans, will have fun wearing these items," said Leonard. "This new venture with Coors provides customers with quality garments durable enough for athletic activities or for everyday use."

From mid-June through the remainder of 1988, customers can obtain items through mail-in order forms mounted on life-sized Sugar

Sugar Ray in new line of sportswear.

Ray Leonard cardboard stand-up displays in Coors retail outlets nationwide. The order forms feature color pictures and a complete price list of the available items which are manufactured in adult sizes only.

The clothing line is an extension of a Coors/Leonard partnership that began last year with the development of the Coors/Sugar Ray Leonard Professional Boxing Team and a television advertising agreement.
