

On July 21 - 23, 1988, Southern University Alumni Federation - Las Vegas Chapter will host our first National Conference at the Riviera Hotel. The 1988 Conference is unmatched because of the programmatic offerings which are expected to attract over 2,000 alumni members.

The Southern University Alumni Federation was chartered by the State of Louisiana on November 7, 1947. Since its chartering, the Federation has intermittently grown to approximately 100 chapters over a period of thirty-nine years. It has an active roster of approximately 35,000 alumni throughout the United States and Europe. More than 85,000 former students and graduates contribute their training and leadership to the world as educators, politicians, physicians, engineers, artists and military officers, verifying the significant role Southern University has played in Louisiana and across the nation.

The unflagging interest and objectives of the Southern University Alumni Federation - Las Vegas Chapter is to maintain the position as a positive link between the University and its alumni and its commitment to providing scholarships, guidance, and academic assistance to minority students.

You can assist us in this endeavor by attending and supporting the following events.

Las Vegas Chapter

Accidents hurt financially, too.

When someone is injured, a Personal Injury Attorney finds fair insurance compensation for the victim. Often, coverage is available from several sources.

This firm accepts claims for a contingent fee; there is no charge for legal services until the claim is settled or won.
