

## Former Valley High Student Crowned Miss Englewood

Michelle Moody

The new Miss Englewood is 22 year-old Michelle Moody, a former Las Vegas resident, now a student at West Los Angeles College.

Born in Queens, N.Y., Michelle spent most of her early years in Las Vegas. She attended Valley High School for three years before moving to California, where she completed her high school education at Fairfax High School.

In addition to attending college, she is the owner of "Dream Cars Unlimited," a firm through which she buys and sells cars.

Michelle won the crown over a field of 13 finalists, who were judged on beauty, poise and intelligence. The 5-foot-9-inch contest winner scored high in the question and answer portion of the finals when she stated that if she had 100 million dollars, she would use half of it to build a center for the homeless so they could concentrate on rebuilding their lives.

Moody is the daughter of the famed entertainer James Moody and the lovely Mrs. Margena King.
