

# ROAMING AND RUNNING WITH FRIEDA

By Frieda Pyles

Ran to "The After Work Affair" to find that Annete, owner of Duchess Capri, had just completed a mini fashion show featuring some of the lovely apparel she carries at her establishment. It was nice to see Horace Noble has returned back to town. Among "The After Work Affair" supporters were Carl "Los" Lipsey, who is about to go on vacation; Diana Aird, and TV producer Debra Campbell and Dad Chuck, who announced that they were on their way to San Diego.

Roamed on to the Sahara where Sherman Hemsley was videotaping his new show The Sherman Hemsley Comedy Hour. Then on to the Sahara Lounge to see

Henry Shed and his Trio.

Roaming around Caesar's Palace this week was Libby Clark, the food editor for the Los Angeles Sentinel. Ms. Clark was the house guest of Dorthea and Irving Foster. The Fosters were also entertaining two nieces visiting from New York, along with eight of their friends. A dinner party was at their lovely home for the out-of-town visitors and Ms. Clark.

Joyce and Arthur Adams hosted a luncheon in honor of Ms. Kay Esquerra from New York at their Painted Desert estate. Ms Esquerra will soon become a resident of Las Vegas. She is the fiancée of local businessman Del Greene.

While roaming around Studio 96 this week spotted

singer Marilyn McCoo on the courts. Ms. McCoo is appearing at the Desert Inn.

Welcomed Ms. Barbara Witt back to town from her Fire Island vacation as she joined in with Mr. Bobby Thomas here from New Brunswick, NJ. Carrol Burell, Mr. Sonny Nevius, Jim Pyles and yours truly to roam on to the Chez Pollee's Cafe to join them in their anniversary celebration. Seen among the many well wishers were Al Gilchrist, Robert Foster and Clarence "CJ" Jenkins. As the champagne and food flowed, the crowd did not want the music provided by Pure Evidence to stop. The standing ovations got them back over and over again.

Left Chez Pollee to run over and wish the lovely Sarann Preddy a happy birthday and congratulations on her extension at the Moulin Rouge. We should all be in support of Sarann since this is the only landmark that we the black people still have. It's nice that other doors have been opened to us but let's not forget the one that was always open and for many years the only one.

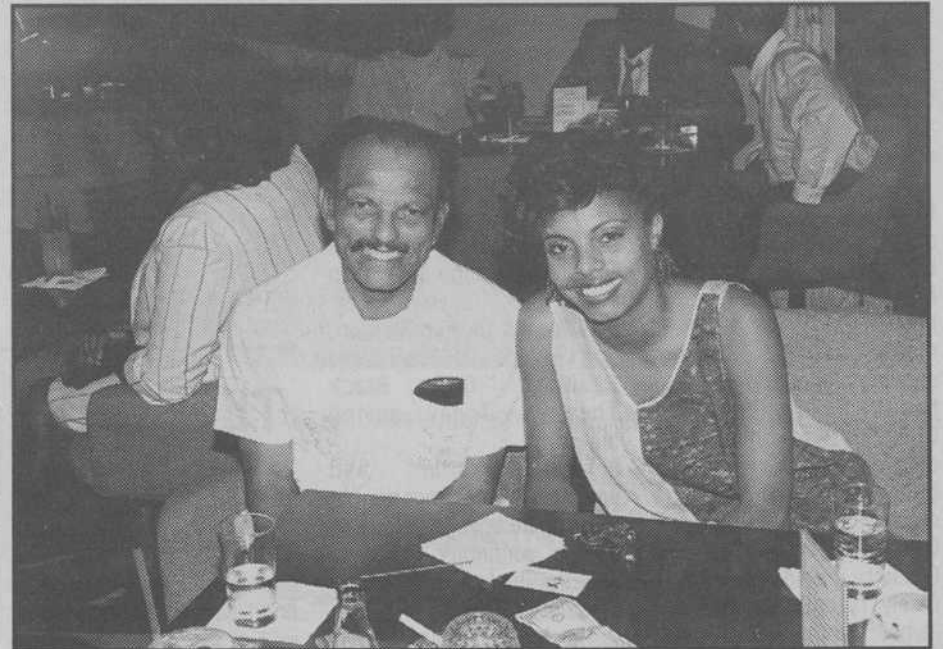

Gotta run. See you next week.

## F.Y.I.

"Minority Business Review" endeavors to expand the general public's awareness about minority entrepreneurship in our community.

The weekly format will consist of an interview with a minority entrepreneur doing business within the State of Nevada. Our guests will have an opportunity to provide details about their businesses, their affiliates as well as about themselves, in a manner that is open and informative. In addition, a weekly "update" on points of interest to the minority entrepreneur will be provided.

The segment for the last Sunday of each month will consist of an open discussion with one or more representative(s) from the government and corporate sectors, financial institutions, business experts and consultants.
