WORDS OF LIFE

PRAYER POEM

The hymn, "Be Not Dismayed Whate're Betide" has become a favorite among evangelical Christians now for generations. The hymn calls us to recognize that fierce dangers have no terror and that nothing we ask will be denied when we find shelter beneath God's healing wings and in God's love abide.

The words are as natural to remember as the thought is convincing to the earnest mind and heart.

*Be not dismayed whate'er betide,
God will take care of you;
Beneath His wings of love abide,
God will take care of you.*

*Thro' days of toil when hearts doth fail,
God will take care of you;
When dangers fierce your path assail,
God will take care of you.*

*All you may need He will provide,
God will take care of you.
Nothing you ask will be denied,
God will take care of you.*

*God will take care of you
Through every day, O'er all the way;
He will take care of you,
God will take care of you.*

God is sufficient to our every need.

United Church's Executive Council Vows To Push For Change In Media Images of African-Americans

CLEVELAND — The news and entertainment media often create misleading, negative images of African-Americans, and the church has a responsibility to change that.

That's the message of a resolution passed by the United Church of Christ's 44-member Executive Council, which concluded a four-day meeting in Cleveland March 23.

The resolution charges the media, especially television, with too often "creating the misleading perception" that the "ills of American society," such as drugs, crime, AIDS, illiteracy, poverty, and teenage pregnancy, are centered in African-American communities.

Calling the media "valuable tools" which "influence American societal behavior," the resolution calls on them to depict "more positive images and realities within African-American communities."
