Central Little League Juniors Near Half Way Point

"From the ranks of youngsters who stand now on the morning side of the hill will come the leaders, the future strength and character of the nation." That quote, from Little League Baseball, Incorporated, tells what drives the many volunteers involved in youth activities throughout our great nation. These volunteers, the coaches, managers, board members, and officers of local Little Leagues, spend countless hours preparing and working with our children to ensure they have the opportunity to develop in-

to leaders of tomorrow.

The sponsors of Little League teams play a very important role by donating sponsor fees and other youth baseball necessities. With the CLL Junior program nearing the half-way point in their regular season, here are the current standings and sponsors: Team 1 LV Central (3-6), Team 2 Wilson Antenna Co., Inc. He has received a tremendous amount of help from Clarence Harris, Greg Wesson and Lonnie Campbell. They all feel that the program is a positive alternative for the youth in the community.

Phil is asking local businesses to support the program through donations.

The Junior's championship game will pit the first and second half-season winners at Hadland Park on June 23rd.
