KCEP IS OWNED AND OPERATED BY THE  
ECONOMIC OPPORTUNITY BOARD OF CLARK COUNTY

### From the Desk of the KCEP Community Affairs Director...

It's time! Time to make a change; we are the people who can do it, says the Winans and Teddy Riley. I could not have said it any better, but I am asking all of you to please come out and support the African-American Summit, starting today at the Indian Springs Correctional Center. This whole event will be very beneficial for everyone, and I am sure we can make a difference together.

The staff of FM88 is looking for boys and girls 9 through 14 to join our Rhythm Runners Track Team. We were super bad last year, and we look forward to another successful team. Parents, get your future stars involved in this positive event and call us to sign your child up.

With the end of school approaching, we are at the drawing board planning some fun and exciting events that I'm sure everyone will enjoy. Be sure to stay tuned

to FM88 for upcoming events.

Some may say, "To know him, is to love him" and I must say many loved, admired and will miss him very much. If you don't know by now, Mr. Sammy Davis, Jr. departed us Wednesday morning. FM88 will present a 60 minute special on a man who touched everyone in a special kind of way, this Saturday at 10:30 a.m. on Youth Spectrum and Straight Talk. Hostess Bobbie Troutman will follow with "For Women Only." She will talk with Faye Daniel concerning the Re-Entry Program. Be sure to tune in and talk with Bobbie Troutman, John Stevenson and Lawrence Weekly on FM88.

KCEP is owned and operated by the Economic Opportunity Board of Clark County.

Thank you and God bless....

Lawrence Weekly  
Community Affairs Director

### Al Johnson Rehired As Manager at KCEP Radio

Al Johnson, Public Relations person for the Economic Opportunity Board of Clark County and also a former manager for KCEP Radio (owned and operated by the EOB), has been rehired this week to again manage the radio station.

Prior to his first stint at managing FM88, Johnson was a news reporter for KVBC-TV Channel 3.

Johnson, who was the previous station manager from 1984 through 1988, replaces Robert Adams Scott, who resigned to become the East Coast record rep for Electra/Asylum Records, promoting such artists as Anita Baker, Keith Sweat and other R&B stars.
