Mike Tyson wasted no time at Caesars Palace last Saturday in doing away with a scared Henry Tillman at 2.47 of the first round. Tillman ran from Tyson from the first sound of the bell.

By beating Tillman, Tyson avenged two prior losses as an amateur to him.

Tillman eventually went on to win the gold medal in the 1984 Olympics.

Tyson's record is now 38-

shots, total points and a season average of 26.7 points per game.

Waller played four years of collegiate basketball at Virginia Union, where he is second on the school's all-time scoring list with 2,298 points. He was also a two-time All-American and named all-conference three years.

As a prep, he played for Halifax County in South Boston, Virginia.

"The Wizard" began the 1988-89 season with the NBA's Miami Heat.

1 with 34 K.O.'s.

"I fought the way I always fight. As an experienced fighter," Tyson said, "I was prepared to go 10 rounds."

Tyson again proclaimed to be the best heavyweight in the world. He hopes to eventually take on the winner of the September 20th fight between James "Buster" Douglas and Evander Holyfield.

"I'm going to stay active and believe me, I will never lose again," Tyson added.

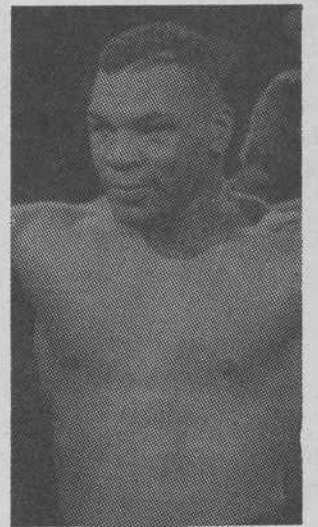

Tentatively, Tyson's next fight is set for Sept. 8 against Alex Stewart at Caesars Palace.

Meanwhile, George Foreman and 265 pound frame were well prepared for his biggest step toward reclaiming the heavyweight title he last held in 1974.

A 1-2 combination is all it took for Foreman to finish Adilson Rodriguez in the second round.

It was his 22nd straight win with 21 coming by knockout.

year old Foreman's first big test since returning to the ring after 10 years in retirement. But the Brazilian proved to be no test at all.

"I take on all the alphabets I can," Foreman said.

In his next bout, he will probably take on WBO champion Francesco Damiani of Italy at Caesars Palace in September.

The power punching preacher from Texas now holds an overall record of 67-2 with 63 K.O.'s.
