The officers, members and friends of the Victory Baptist Church invite you to share in their demonstration of love to Rev. and Mrs. A.J. Thompson for 30 years of service to the church and the community.

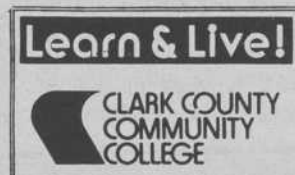

The celebration will begin on Saturday, September 1, 1990 with a Luau featuring food, fun and prizes. This event will be held at the home of Mr. & Mrs. Arthur Fowler. The following observation services will be held at the Victory Baptist Church, 500 W. Monroe Avenue: On Friday, Sept. 7 special worship services will be held with Rev. Sam Roberson of the Community Baptist Church, Henderson, as guest speaker. Saturday, Sept. 8 at 5:00 p.m. a banquet and musical tribute will be held featuring vocalists and celebrities including Gingi James, Tex Richardson, Lee Morris and others. On Sunday, September 9 at 3:00 p.m. the final service will take place. Rev. Donell Horn will be the featured speaker. The public is invited to share in this celebration of love.

The movie "The Greatest Story Ever Told" will be shown at Hallelujah Fellowship on Friday, September 7 at 7:30 p.m. The movie tells of Jeff Williams, who is too caught up in his own little world, to bother telling others about Christ. But through a very surprising twist of events, he learns that he must do his part in fulfilling the great commission that Jesus gave us. This is a gripping and humorous film for the whole family. Hallelujah Fellowship is located at 800 North Ranco Dr., 1/2 block north of the expressway. There will be free admission and a nursery will be provided.

The Evening Women's Aglow Fellowship will host a dinner meeting on Tuesday, September 11, at 6:30 P.M. at Port Tack located at 3190 W. Sahara. Dinner is \$10.00 and the guest speaker is Norma Calwell. For reservations call 870-0752, 438-5572 or 645-2360 before Friday, September 7.

Ladies Advancing Christian Entertainment (L.A.C.E.), a non-profit organization, is conducting a Prayer Explosion and Praise-A-Thon, Saturday, September 8, 1990 at 3910 South Maryland Parkway from 12 noon until 12 midnight. They will be releasing helium filled balloons UP TOWARDS HEAVEN'S WAY in the form of Deliverance, Intercessory Prayer, and Praise Offerings to God. All are urged to come and release their balloon. At

12 noon, white Praise balloons will be released, thanking God for the many blessings he has graciously bestowed upon us! At 12:15 p.m. black balloons will be released, with requests for Deliverance from bad habits and anything against the will of God! at 12:30 p.m. the group will be releasing assorted colored balloons for Intercessory Prayer for families, friends, co-workers, church members and even our enemies! This process will be repeated every hour on the hour. A spiritual Tract will be attached to each balloon, so that when it descends, it will have a message for who-so-ever finds it. There will be 3,000 balloons on hand and the group will stay prayerfully until every balloon has been released by someone. So mothers bring your daughters, fathers bring your sons, pastors bring your congregations, doctors bring your patients, lawyers bring your clients and teachers bring your students! Everyone is invited to lend their spiritual, moral and financial support to this Prayer Explosion and Praise-A-Thon.

Teens Speak Out

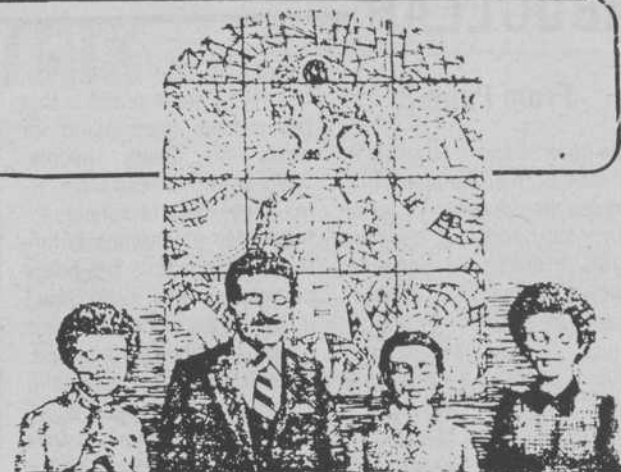

Rev. David Murray, Youth Pastor of the Deliverance Thru Faith Powerhouse has been working with the youth in his church on a special project dealing with the problems of teenagers. As a culmination to the project, each member of the teen group was asked to write an essay answering the following question: "What do you feel is the number one problem facing teens in the future and what can be done to solve the problem?"

Each week the Sentinel-Voice will publish one of the essays written by members of the group. The first essay follows.

I feel the number one problem facing teens in the future is the ability to discern right from wrong. For instance teens nowadays are drinking alcohol and smoking dope just for fun, because they aren't being educated about the right way for them to live their lives. Look at all of the teenage pregnancies today.

The teens' problems can be prevented if their PARENTS and other responsible adults would just spend more time with them and be the Christ-like examples God would want them to be.

Your Brother in Christ,
Brian Everest

WORDS OF LIFE

BIBLICAL INSPIRATION FOR THE WEEK

"Beloved, I wish above all things that you may prosper and be in health, even as your soul prospers." -- III JOHN 2

1. Health! God does not want us to be sick. Not for a day or a moment. God wants us to read the accounts of healing in the Scriptures, and to be "doers of the Word." He wants us to "stand our ground" when the temptations of physical illness come. We are to live--each of us--the full "number of our days." God wants us to die of "old age."

2. Spiritual Maturity! God wants our souls to be shiny, bright, clean and whole. This means practicing what God tells us to do. Spiritual maturity cannot come to us without our reading of God's Word. Read the Epistles and reflect upon their meaning. When reading the Gospels, many find it easiest and most helpful to begin with St. John's Gospel. But read what God says--and put it into practice!

3. Financial Prosperity! God wants us to be financially prosperous. Race is not inherently a limiting factor financially. Did you know that American West Indians earn on the average more than average American Whites? Race is not crucial. Our prosperity--or the lack of it--has much to do with what we believe God requires or expects of us. God expects you to prosper. Don't let God down!
