KCEP is owned and operated by the E.O.B. of Clark County

ED KOCH

(Continued from Page 4)
 being "insensitive" to black on black crime. He said whites should feel an obligation to help change the employment picture in the inner cities and not continue to turn their backs.

He said the "destruction of the black family" structure is the main problem among the nations blacks.

In Harlem 80% of all babies born are born out of wedlock, he

pointed out.
 The former mayor was asked about six members of his cabinet being indicted during his

 to sound like Mister Rogers. A hairbrained scheme is somehow conjured up to place the deceptive message on a telephone recording device and then make

administration but said that he pushed for those cabinet members to receive the "fullest extent of the law" for their crimes.

it available to the public.
 You know, there's just no telling how far some people will go these days to try to discredit one group of people over another, is there?

Even though this particular case is finally being addressed through the legal system, how many others are likely to surface?

STUDY
