DARREL RANDLE

NOBIE BELLAMY

★★★★REBEL SPOTLIGHT★★★★
UNLV's Darrel Randle Having A Good Season After Injury

by Bob Rodgers

Darrel Randle's services last year as a member of the Rebel's scouting team appears to have paid off.

Out with a bad knee injury, Randle has returned to the lineup as a starting tight end.

His good speed and moves enables him to get between the seams of the defense, making him a threat everytime the Rebels

possess the ball.
 The criminal justice major was named to the All-Conference team

at Merced Jr. College, and in Ann Arbor, Michigan, he was an All-State football performer, as well as a member of the basketball and track teams.

-Nobie Bellamy's Speed Keeps Opposition Alert-

Nobie Bellamy, a junior, is the fastest member of the Rebels' football team. His ability enables him to play flanker as well as punt returner.

A local product out of Eldorado High School, Nobie redshirted as a freshman. But as a sophomore he came back to return 9 kickoffs for 151 yards.

At Eldorado, Bellamy lettered 4 years in basketball, and 3 years in football. He was also a two time All-State player in both sports.

The criminal justice major is a talented singer and actor as well.

WBC MAY STRIP HOLYFIELD

Heavyweight champion Evander Holyfield responded last week to rumblings that the WBC might strip him of his title unless he makes his first defense against ex-champ Mike Tyson instead of George Foreman.

"All I want to receive are the same rights and the same respect that is given to any No. 1 contender who wins a world championship," he said. "I waited patiently for my turn to fight for the heavyweight title and I will not deny any worthy challenger the opportunity to fight me as long as I am champ."

"I believe that Foreman and Tyson are both ex-champions and both worthy contenders. I plan to give both of them the opportunity to fight for my title in

1991, beginning with Foreman sometime in March or April.

"I believe all boxing fans want one undisputed heavyweight champion and that titles should

be won and lost in the ring. I hope all three sanctioning organizations will cooperate to keep the heavyweight title unified."

STRAWBERRY EXPRESSES INTEREST IN DODGERS

Darryl Strawberry is so serious about playing for the Las Angeles Dodgers, he told Manager Tom Lasorda he was willing to play center field, Strawberry's agent said.

Darryl Strawberry

"Darryl told Tommy that he will play center field or right field," agent Eric Goldschmidt told the L.A. Times.

"He told him he would do whatever the manager wanted him to do."

The seven time All-Star has played right field most of the past eight seasons with the New York Mets.

A move by Strawberry to center field would enable the Dodgers to sign him without having to disrupt their outfield with position moves or trades.

Under free-agent guidelines, the Dodgers could not begin discussing contract terms with Strawberry until this week.
