PROGRAMMER
\$27,064 to \$38,521

Do you have experience programming on an IBM main-frame?

Clark County is seeking a qualified individual to code, debug and test new computer programs; and to research and correct problems in existing programs. Requirements for employment are equivalent to a Bachelor's Degree in information systems, data processing, computer science, or a closely related field, and one (1) year of experience in computer programming. Preference will be given to those candidates with experience programming on an IBM main-frame. Clark County offers a generous benefit plan which includes 12 paid holidays and employer paid retirement. To be considered you must submit a County application package (resumes alone will not be accepted) by *November 15, 1990*.

For an Application Package contact:
