By Bob Rodgers
SPORTSWRITER

Team player John Price is entering his 3rd year in the Rebel backfield.

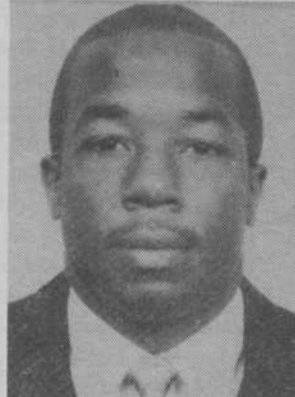

Seeing limited playing in his first two seasons, the junior was out to win a starting job this year, but being the team player he is, John was more interested in the team winning more games than in the previous two years.

In high school in Culver City, California, Price was an All-

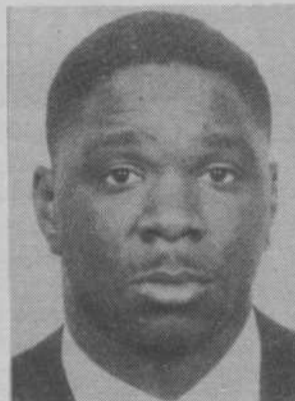

Southern Section selection, and a 4-year letterman in track, 2-year in football and 1-year in both basketball and baseball.

The communications major also holds the school's record in the 300 meter intermediate hurdles, as well as being student body president and homecoming King his senior year. Linebacker Kenneth Crump, on the other hand wants more playing time this season.

games, while starting 7, and was a very sure tackler (making 2 sacks.)

As a freshman, he received a lot of praise from the defensive coaches, who this year are hoping he will become a force on

defense.

A 1990 graduate from Northside High School in Fort Worth Texas, Crump was a 4-year letterman in football, bas-

ketball and track. He was a 3-time All-District and 2-time All-Country selection in football and an All-Region selection in football and basketball.

A blue-chip All-American, Crump has a 3.34 GPA and was an all-academic and mathematics award winner. He is a business management major.
