## NAACP AND YOU

(Continued from Page 3)

Blacks are in more precarious or dangerous situations employment wise than they have been in almost 30 years. David Duke is a former member of the Ku Klux Klan who is now a candidate seeking the Republican nomination for the presidency of the United States. Mr. Duke is against affirmative action and welfare, and he said that what he is saying aloud, President Bush is saying privately. If you are Black you should join "Club 100" which maybe your last best chance to buy some time and or some insurance against losing your job.

The NAACP is looking for 100 or more volunteers who will pledge to write ten NAACP memberships each.

This will automatically make you a member of club 100. The NAACP belongs to all the people, therefore it is requesting the names address and telephone numbers of 100 people who will pledge to write 10 NAACP memberships each on or before May 30, 1992.

Those of you who decide to join "Club 100" have many people to sell a membership to, such as:

Your building construction contractor, your Painter, Lawyer, Doctor, Carpenter, Plumber, Tailor of Clothes, Auto Dealer, Pastor, Teacher, Landlord and or tenant.

If you are interested in joining the club, or finding out additional information about it you should call Jesse D. Scott at 646-4662. Your participation is very vital to the success of the NAACP. Remember: If you are not a part of the solution you may be a part of the problem.

Join the NAACP today and make things happen in your life time.
