Concerned parents and citizens pulling together for the children will discuss school district issues and policies that affect our children on Friday, March 20, 1992 at 7:00 p.m. at Grace Immanuel Baptist Church, 805 W. Bartlett Ave., L.V., NV.

Topics will include: (1) New schools that are being built, locations, re-zoning, busing of elementary school children, length of time the children are spending riding on buses, and distance of the schools from the homes of the parents who often must come to the school. (2) Special education programs for the special need children, trained personnel to supervise these children on buses. (3) Very young children being abused - sexually, physically and emotionally - by older children. (4) We don't want six grade centers. We want our small elementary school age children back in their own neighborhood for those early years. (5) We want the locks off the gate at the six grade centers so our children can safely play in these school yards afternoons and weekends. (6) We want security on the playgrounds so the Clark County School District will know the six grade centers are kept safe and are not being destroyed while they are away and our children are playing. (7) We want high quality principals and teachers. (8) And teachers need and deserve better salaries.

There will be school personnel, elected city and county officials, and community ministers present at the meeting to try to answer our questions and provide solutions to solve the numerous problems mentioned above.

We want to see all of you at this meeting. Now is the time to save our children or they will be lost and so will our communities.

If you need more information please call Mrs. Lewis 646-3280.
