ATTENTION PRAYER WARRIORS

The committee to free Dr. Kimble McNair, participating Ministers, Christians and friends meet every first Wednesday of the month, at 7:30 p.m. in front of the Clark County courthouse at 3rd and Carson Streets for a Candlelight prayer vigil. We pray that justice will prevail for all incarcerated persons who were imprisoned unjustly.

Every Wednesday at 12 noon in front of the courthouse; Mrs. Rosa McNair prays for justice for her husband as well as other injustices in the city of Las Vegas, the state, and the entire nation. Each week our numbers increase; we invite everyone to come out and support these efforts, especially the husbands, wives, mothers and children or all persons affected directly. Prayer can surely change things.

BEING BLACK IN America

James Davis

On Saturday, May 2, 1992, Darvez Scroggins and James Davis will air the first broadcast of "Being Black In America." Our show will deal with many issues concerning African Americans. Issues as they relate to economics, morality, and society in general.

"Being Black In America" is directed primarily but not exclusively for the African American community. We intend to educate all races on what it is to be black in this country.

Our format is designed to enlist the most controversial responses from the public as possible. In order to get the listening audience to respond, we must concern ourselves with the issues which most concern them, and we feel we have done just that.

With the majority of our sponsors being black owned and operated businesses, we would also hope to promote the image of spending as many dollars as possible in the black community. We must support our black businesses if we are to survive in the business world.

Once again that is Saturday, May 2, 1992 at 11:00 a.m. to 12 noon on KLAS AM 1230 for our very first broadcast of "Being Black In America," and Thank You for all of your support.

Signed: Producer/Director James G. Davis
