

# JIMMY FRANK RUNS FOR STATE SENATE, DISTRICT 5

Jimmy Frank, 38, has announced his candidacy for State, District 5. It is his first time to run for public office.

Frank and his wife of 15 years, Dr. Sharon Frank, own the Ear, Nose and Throat Specialist of Nevada and Southern Nevada Surgical Center. The couple work together in the business, she has a medical practice and he is administrator for the medical complex.

Frank moved to Las Vegas in 1965 where he received his elementary, junior high and high school education. Frank was one of the founders of Southern Nevada Physician's Caucus. The group was formed to address quality health care issues and the accessibility of health care for every Nevada Citizen including the indigent and uninsured citizens. He and his wife developed a free ear exam

program with the Clark County School District for children so that if a child had hearing problems it could be addressed early enough so as not to impair the child's ability to learn. They also donated a computer laboratory learning center to Ruby Thomas Elementary School. The school is designated for hearing impaired children.

Frank says that his reason for entering the race is that he believes that his years in the community gives him an insight into the issues that need to be addressed at this time. He thinks that with the population proportion as it is that there needs to be a stronger voice for the southern portion of the state than exists in the legislature now. He thinks the tax base should be more evenly distributed and that education should be given higher priority than it has had in the past.

## NEVADA (Continued from Page 11)

and Mr. Weir, with the support of local city leadership are here today to voice the concern that a requirement of new crime rather than waste valuable dollars on incarceration. Our message is very clear, get the youth off the streets and into classrooms where we can train them effectively motivate them and create a solid workforce here.

Information, ideas and questions/comments may be directed to Ms. Rose (702) 253-5084. NBS implements and supervises programs outlined by the Federal Job Training Partnership Act to economically disadvantaged youths and adults.

**NOTE:** Due to the fire damage at Nucleus Plaza, NBS has temporarily relocated to Cashman Field.

LOVING  
THOUGHTS OF MOM

*Mother's Day is May 10*
