Thanks to a bunch of caring and concerned celebrities the Senior Citizen Nutrition Program that provides 'hot' home delivered meals to low income senior citizens throughout L.A., will get a big star studded push to help their fund raising efforts through the "4th Annual H.B. Barnum Adopt-A-Senior Celebrity Golf Tournament" taking place on Monday, July 27th, at the beautiful California Country Club in Whittier, California.

Clifton Davis from the NBC-TV series "Amen," and Roger E. Mosley who co-starred with Tom Selleck 8-years on the CBS-TV series "Magnum P.I.," with the lovely and talented Arnetia Walker from the television series "Nurses," hosted the official press conference last week at the Westminster Senior Citizen Center in Venice, California, to announce those celebrities already signed on and committed to play in the annual fund raising golf classic that contributes to the financial concerns of the Senior Citizen Nutrition Program, and enables this operation to provide 'hot' home delivered

meals to low income seniors.

The early bird list of confirmed celebrities reads like the who's who of feature movies, television shows, also the music and entertainment industry!! Inclusive of Clifton Davis, Roger E. #### "MUSICALLY SPEAKING..."

Motown Records has released an album with 11 of Lionel Richie's greatest hits and three new soon to-be classics! The title of the new album is "Back To Front," available on both CD and cassette; and the three new tunes are "Do It To Me," "My Destiny," and "Love, Love Oh Love." The 11 greatest hits from Lionel on this new release include "Three Times A Lady," "Say You, Say Me," "Penny Lover," "Truly," "Hello," "Sail On," "Running With The Night," "Endless Love," "Still," "Easy," and "All Night Long." The combination of his 11 greatest hits and three soon-to-be classics, makes a fantastic musical package. The new Randy Crawford album "Through The Eyes of Love" from Warner Bros records is another winner for those who like their songs styled and served by the talented vocal stylist Randy Crawford. In my opinion every track on this album is a winner, just as Randy's been with every album release so far... and that's Hollywood this time!! Until the next time, Lanier.
