

THE KAPPA LEAGUE & JR. KAPPA LEAGUE STEPS THEIR WAY INTO 1ST & 3RD PLACE IN THE FIRST ANNUAL JUNETEENTH TALENT CONTEST

MEMBERS OF THE KAPPA LEAGUE

The Jr. Kappa League under the guidance of Kappa Alpha Psi Fraternity, Inc. received first and third place honors at the 1st Annual Juneteenth Talent Review held Friday, June 19th at Las Vegas High School.

They recited the history of Juneteenth, followed by a dramatization of slavery, and the finale of a soul stepping foot routine.

The Kappa League won the heart of the audience, and votes from the judges by displaying the true sense of respect to our rich, pure culture, specifically to the African-American female.

Academic Achievement, Community Service, the uplift of

young African-American men, and respect for our woman is what makes this group of young men the leaders of the pack.

The Kappa League is proud to have graduated 15 young men who will attend various universities in this country and is proud

to welcome their new members of Phaze Six "24 Sounds of Blackness". The Kappa League family would like to thank God, the parents, their big brothers of Kappa, the Sentinel Voice, and the entire community for all your support.

The lack of Black history that is taught in schools today was stressed immensely.

Taylor mentioned the fact that Black youths of today have a need for knowledge of their past and many are realizing that now.

"The youth of today are reading. They read Malcolm. They read Martin..."

Entertainers, such as, The Imperials and Ghalib Ghalub were on hand, performing for free, throughout the day.

ASSEMBLYMAN WILLIAMS SEEKS HIS FOURTH TERM

Nevada State Assemblyman Wendell P. Williams will kick-off his bid for a 4th term in the Nevada Legislature, on Friday, July 3, 1992. Williams who serves as chairman of the state standing legislative committee on education, said that we need to continue to focus on restructuring education in Nevada. This is one of the key reasons that he is seeking re-election. Assemblyman Williams has sponsored and passed into law eight (8) bills that are related to public education, including one that received national attention, that dealt with restructuring the selection process of the textbooks, based on their conclusion of lessons reflecting the deeds, exploits and culture of all people of color, in the subjects of science, literature and history. Williams also expressed a desire to expand on legislation that we introduced in 1989 that created Nevada's first contingency plan that dealt with the procedures the state would follow once notification of intent was received that a reduction in work force or the closure of the Nevada test site was in effect. When speaking of his upcoming campaign he stated "In the last three sessions, on behalf of the people, I've gotten 25 bills passed into law. I want to expand on a broader agenda for progressive economic and Humanities Realities for all Nevadans". Williams also cited the fact now that State Senator Joe Neal has announced that his upcoming term will be his last, that he plans to expand his political agenda to put in place long range plans for the people of Senate District #4. The kick-off will feature a pool side reception with live music provided by "The Last Generation", Bar-B-Que, a fashion review, games and swimming. The location is 1732 Goldhill Ave. at 8:00 p.m. To R.S.V.P. call 648-8440.
