Although there is no state statute or law that says you cannot solicit petitions, nevertheless DMV has created its own rule to fit its own purpose. Why would DMV have so much interest in preventing the solicitation of a petition that has nothing to do with them.

If you sit on the sidelines and remain silent about what has happened to Dr. Tate, next time it might happen to you, your family,

world. By 1990 we owed the most money of any country. The obvious question is, where has all the money gone?

The answer is quite simple. Starting in 1980, the trend which became the norm, was not to tax the rich; but to tax the HECK out of the middle and lower classes. The remaining 80% of American households saw an income decline. What happened to all of the money these conservatives raped from our minority communities? Who knows? We paid the highest amount of taxes per income, and have absolutely nothing to show for it. Now conservatives want to help re-

Agency officials have reportedly stated that they were concerned with Dr. Tate's safety, as well as that of its customers.

In addition, Donna Wadey, DMV's area district manager, said she was informed by the agency's State Deputy Director, Bob Anselmo, that Tate was never told it was acceptable for him to collect signatures outside of the designated areas.

Tate will appear in Municipal Court on both July 14th and 20th.

Despots and dictators come in all colors; if you don't stop them when they take a yard, they will end up taking a mile.

That's exactly what happened to Adolph Hitler, the dictator of Germany; a white man and Papa Devalia in Hati; a black man.

The Department of Motor Vehicles and the Highway Patrol must fully understand their roles. They work for and owe their allegiances to Governor Bob Miller, and the governor works for and owes his
