

# BACK-TO-SCHOOL INFORMATION BEING MAILED TO PARENTS

The latest back-to-school information will arrive in homes throughout the Clark County School District on or about August 1.

The *Back to School Reporter*, an eight-page newspaper full of helpful information for parents, will be mailed automatically to families of students who attended school in the district during the 1991-92 school year. The publication is not mailed to families new to the district because their addresses are not on file.

Families new to the district, anyone one else who would like to receive a copy of the *Reporter*, or parents of returning students who do not receive a copy by August 7, should call the district's Public Information Office at 799-5304 to request a copy.

The *Reporter* is packed with information to help parents and students prepare for the 1992-93 school year, which begins Monday, August 24. It includes registration information, a school

calendar, lists of school hours and new schools, explanations of attendance and behavior policies, details about programs and services available to students, as well as a message from the superintendent and the president of the Board of School Trustees.
