

# BISCUIT OUT TO MAKE A 'HARD TRANSITION'

By W.G. Ramirez

He has traveled with the hottest group in America, he has bounced for some of the most controversial rap artists around,

and he even has had an animated character created like him. This 325lb., 6'0" gentle giant, fondly referred to as Biscuit, has also released one album, with

another on the way, and has become recognizable, with equal enthusiasm, as any other top rap artist that is out today. Unfortunately, the Biscuit that

everyone got to know was, definitely, a kind-hearted, cuddable teddy bear look-a-like which is the total opposite of his intimidating appearance.

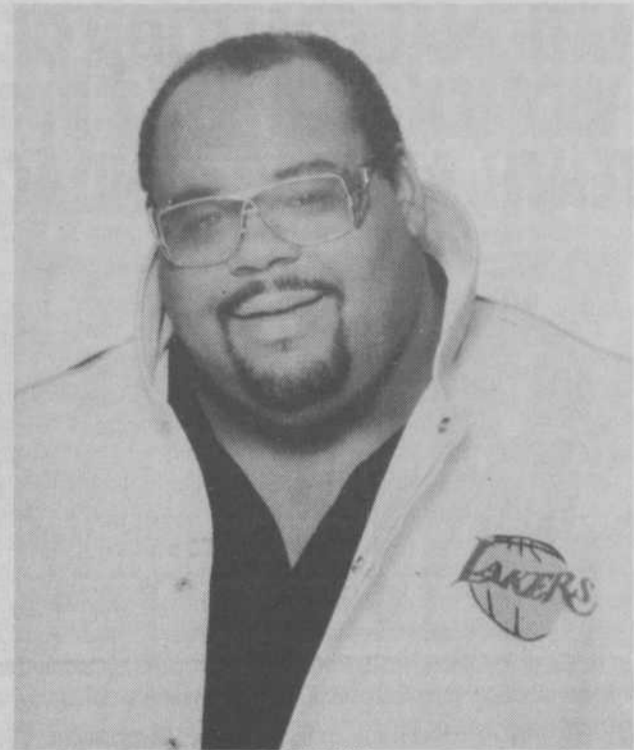

Sure he is all these things rolled into one, but, "people just saw the happy-go-lucky side of Biscuit," he says.

"People in (show) business know me from the old school, others think I'm soft; I do have a street-oriented background," adds Biscuit.

When Biscuit mentions the old school, he means it. His credits can date back to working for Billy Preston and Johnny "Guitar" Watson. This large lovable creature has also bounced for such groups as: Tony Toni Tone, Ready For The World, NWA and Rap Artist Eazy E.

Biscuit admits that when it was time to take care of business, he assured that whoever he was working for had nothing to worry about, as long as he was on the job.

His claim to fame might of surfaced after bouncing for teen sensation group New Kids On The Block. He went on to record his first Lp and opened the show

BISCUIT

for the New Kids.

Since then, Biscuit has taken some time to himself, in order to make a 'Hard Transition,' as he puts it.

"It's hard," admits Biscuit. "Everybody goes up and down in this business. There is a lot of jealousy and animosity."

His first single, due out later

this year, in entitled "Proppa."

The rest of the album will include eleven other songs that have yet to be chosen. Biscuit and his producers - Romeo J.D., Kevin Silas and Dale Kempsey - will record a total of 20 songs and then draft the lucky eleven.

## Kimberly's Entertainment News

"ALL THE WAY LOVE!" Yes, LOVE OF MY LIFE, LARRY SPRINGFIELD, new TABU RECORDING ARTIST, is ON THE ONE WITH A BULLET AS HE SHOOT'S HIS POWERFUL LOVE GUN OF MUSIC! I recently interviewed LARRY live and direct from ATLANTA GEORGIA on 88.1 FM KCEP RADIO STATION. OH, BEFORE I FORGET; I MADE A MAJOR, BOO, BOO, LAST WEEK, AND LEFT SOME OF THE "ONLY KCEP" ONES OUT OF MY KCEP 88.1 FM D.J. ACKNOWLEDGEMENTS. "Yes, IT WAS MY BAD, BUT DON'T HATE ME CAT DADDY. C.J. OR BETTER KNOWN AS THE TRAFFIC LADY, you know you are THE MOTHERSHIP FOR THE KCEP 88.1 FM MOTHER SHIP CONNECTION. Where would the station be without you C.J.? Now, back to MR. HOT FUDGE SUNDAE, LARRY SPRINGFIELD, homeboy is ALL THAT & MORE. LARRY is a native of Memphis Tennessee, and has taken that little boy talent that started out in a 'MICHAEL JACKSON' kind of way and developed it into his RED LIGHT THING! Oh, that is how LARRY describes his music, one that creates the mood for SLOW DRAGGING AND ULTIMATELY THE WILD THANG! I have to

mention that LARRY is much more than THAT MANDIGO WARRIOR of music WITH THE HEART SHAPED LIPS. He has the musical vision and creative energy to produce, write, and sing his own songs. He mentioned that his sisters keep him focused about BEING ALL THAT. LARRY impressed me as a young man who has his INSIDE ENERGY IN CHECK JUST LIKE HIS OBVIOUS OUTSIDE BEING. Yes, I might have to give HOMEBOY THE DIGITS!! YOU KNOW IT'S ABOUT BEING IN TOUCH. FOR REAL!! LAS VEGAS GET READY, I am now the LAS VEGAS' COORDINATOR AND CORRESPONDENT FOR BLACK ENTERTAINMENT TELEVISION. SO, basically I am putting LAS VEGAS ON THE

ENTERTAINMENT MAP IN A BLACK KIND OF WAY. WHAT YOU SAY!! EDDIE MURPHY is expecting another baby, and it is said to be a BOY CHILD! He and SUPERGIRL-FRIEND NICOLE plan to name their new baby MILES after the late great MILES DAVIS. BOBBY BROWN and WHITNEY HOUSTON made those LARGE VOWS this past week. I haven't gotten the scoop yet, but my MAN, my NERD, and MY JELLY PRESERVE, STEVE IVORY from BLACK BEAT MAGAZINE attended the wedding, and trust me I will get the inside story.

Well, until I GET BACK IN THE BLACK, remember LET ME ENTERTAIN YOU BECAUSE IT AIN'T TO HARD FOR ME TO JAMMMMMM!!
