

MUSLIM AUTHOR/SCHOLAR

(Continued from Page 7)

"My dear Brothers and Sisters May Allah's Peace and Blessings forever be with you.

We Praise Allah (Highly Glorified is He) for blessings us with this golden opportunity to be here with you and to meet together. Friday night is not an easy night for any Muslim in America. Whether you are in Chicago or Los Angeles or Houston or Detroit or fortunately in Las Vegas. For Muslims to get together on Friday night is super. Jumah (congregational prayer) on Friday is obligatory, but tonight, coming here tonight is a nobility of yours, and each and every one of you should be grateful that we could come together at a Muslim's house, not at a casino or any place such as that. Brother Khalid Kahn should be congratulated for letting us use his home and its good to see many of you have brought your children for it is the good thing

lute bottom of the barrel and bring up his barking lap dogs? Hm m m m!

6) When Patrolman Dirk Thomas disguises as Jesse Scott and Wendell Williams, is he doing that in the name of the Las Vegas Metropolitan Police Department? Have they become so cowardly that they can't make their challenges in person? Do they now have to loose their brainless pitbulls in order to make their attacks? Hm m m m! I wonder.

These are just some of the questions that I have been musing over for the last week. But, the more important matter, the petition drive is going well, and it appears that the muzzles will be ready in October; our placement on the mad dogs in November.

I suppose if one thinks that the yapping of the Metro kennel is loud now, it will get even louder between October 12 and November 4.

that you should do.

Boys and Girls should not be left with the babysitter. Our boys and girls should come together with us to see that Islam is not just for mothers and fathers but the children also.

If I have to say anything about coming from Los Angeles this morning to share with you some of the agonies that Muslims are facing in the whole country of America, with all that we are seeing, our numbers have increased tremendously! Our Islamic Centers and Community Centers have increased tremendously! I'm not sure whether the quality of our identity is increasing simultaneously or not; only Allah knows whether our quality is increasing simultaneously with our numbers or not. That remains to be seen. I have no right to check up on our communities to find out about our quality. I can only say this about the quality; and that is that the quality is more important than the quantity.

Yes indeed, the number of Muslims have increased tremendously. Even in Las Vegas. Whether you like it or not, whenever I tell the Muslim that I am going to Las Vegas, they say; "Oh? Ahmad Sakr is going to Las Vegas?" They say; "What are you talking about? Do you gamble? I say that I am going to the Muslims to help them because they are establishing a Mosque bigger than the one they now attend. Unbelievable! No one believes it. The whole of the Muslims in America does believe and are happy to know that there is a place of worship in the "City of Sins." Satan and the Jinns are busy in this city of Las Vegas and Allah (Highly Glorified Is He) has

selected you to transform this little city, little-by-little, to a place of worship for Allah (God). And you should be grateful to Allah that He selected you and not someone else to assume the responsibility of bringing Islam to this part of the world.

Think it over, that on the day of Judgement Allah (Highly Glorified is He), will ask you; "What have you done to establish Islam on this part of the world? That Allah has brought each and every one of you from the Muslim world to this side of the world to establish Islam. Did you establish Islam? I know many of you have the responsibility of taking care of your families, but there is a bigger issue; there is a bigger mission for you. Even for your boys and girls, Allah is going to ask your boys and girls, "Is it true that you were raised Muslim and that you have lived as Muslims and that you have delivered the Message of Islam, and that your intention is to practice Islam in this part of the world or not?"

Now, we fathers and mothers are really responsible, and the best gift you can give to yourself as fathers and mothers-what Muhammad (Peace be upon him) told us what Allah told us in the Quran-"O ye who believe, protect your children from the fire of Hell".

The fuel for Hell will be you, the charcoal or fuel for Hell will be you and your girls, and Allah said, protect yourselves and Allah (God) forbid that you might be the fuel, oil and charcoal for Hell if you do not protect yourself, your wives and your children from that day. You will be in that category, fuel for Hell, if you don't take certain precautions!"
