

Kimberly's Entertainment News

Recently, MICHAEL JACKSON was spotted running down a European' street BUTT NAKED screaming BEAT IT at **SUPERSTAR KENNY "BABYFACE" EDMONDS WEDS "HIS KIND OF GIRL" TRACEY McQUARN**

MR. & MRS. KENNY "BABYFACE" EDMONDS

Kenny "Babyface" Edmonds, one of contemporary music's hottest songwriters/ producers and artists captured "his kind of girl", by marrying Los Angeles native Tracey McQuarn, a real estate and mortgage company owner, at gala nuptials held at the Beverly Hills Presbyterian Church on Saturday, September 5, 1992.

Over 400 friends, family, and celebrities attended the wedding and reception including among others, recording stars Johnny Gill, C.C. Peniston, Shanice Wilson, Keith Washington, After 7, NBA all-star Reggie Theus, director Reginald Hudlin, comedians Byron Allen and Chris Rock, and of course his song-

writing/producing and LaFace Records label partner L.A. Reid and his wife Pebbles.

Babyface, whose debut solo album on Epic Records, "Tender Lover," went double-platinum, first met his wife when she auditioned for his hit video, "Whip Appeal." Unfortunately, after being cast in the video, a bout with chicken pox cost her the role. Several months later they accidentally met again. Ultimately, she was cast in his hit video, "My Kind Of Girl," and as fate would have it, she turned out to be just that.

The couple are off on a three-week honeymoon throughout Europe, and upon returning will reside in Los Angeles.

lating around the music biz here of late has been solved. Johnny Gitan is the artist, mask and all, who's making the big musical noise with his new single CD release of "Dancing In Our Souls," on Mad May Records. The former Buffalo, New York native who now makes his home in Toronto, Canada, has certainly stirred things up in the recording industry wearing a mask night and day. This ever present mask being worn by the singer/songwriter has created quite a mystic, and certainly adds to the musical mystery surrounding the man behind the mask!!

Singer Lou Rawls was paired with Greg Alan Williams and David Hasselhoff for a guest starring role in the syndicated television series "Baywatch" that will air later in the season.

Speaking of actor Greg Alan Williams, he was one of the actors called to try out for the male lead opposite Gladys Knight in the play "Madam Lily" set to open in Chicago in November...and that's Hollywood this time. Until the next time, Lanier.

the top of his lungs!!

NOW THAT I HAVE YOUR ATTENTION, LET'S GET TO THE REAL ENTERTAINMENT NEWS... HA! HA! I am so CRAZY! Well, that's what makes the world go round. RICK JAMES' daughter, TY, TYENZA, is now a HOE!

Well, MS. THING has just joined the new singing DIVA BAND, "HOE'S WIT ATTITUDE"

(HWA), on RUTHLESS/GIANT RECORDS! Yes, this HOE IS GETTING PAID!! ON THE REAL TIP, during one of MICHAEL JACKSON'S European concerts in Switzerland, one of the laser lights used in his show blew-up in the sky, and the Switzerland Air Force thought it was an attack and sent police and armed cars to the concert arena house. THEY WANT TO TALK ABOUT THE UNITED STATES NOT BEING ON THEIR J-O-B's!

MARVIN GAYE'S daughter, NONA GAYE, has just stepped out into the music industry with her new album, LOVE FOR THE FUTURE! NONA might have something to offer the music industry, but she needs a new public relations firm because MS. THING'S current public relations

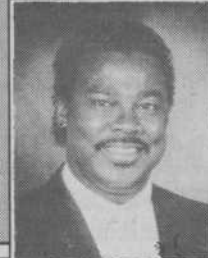

representatives are OH-SO-TOO-LA-LA!! Some people are very confused with the recent marriage between WHITNEY HOUSTON AND BOBBY BROWN. Many have said that WHITNEY seems too sophisticated for BOBBY. According to MY HOMEY FROM WYOMY, STEVE IVORY, the record company portrayed WHITNEY as THE LADY WITH ALL THE CLASS for publicity sake.

In reality, "WHITNEY IS A AROUND-THE-WAY-GIRL WHO IS CURRENTLY LETTING IT ALL HANG OUT!" If I don't get this date correct for you for the MO-JAZZ PARTY in Los Angeles for the new MOTOWN JAZZ RECORD LABEL, I am going to LOSE MY MIND!! The ACTUAL AND FACTUAL date

is September 24, 1992. The invitations are ON THE MONEY! Motown sent out CD's as invites to the party. I WAS SO IMPRESSED!! SPIKE LEE recently told WARNER BROTHERS PICTURES that a major review of his latest movie MALCOLM X for an international magazine should be written only by African American writers chosen by himself.

Yes, HEROS AND SHEROS, I am one of the three writers to write the review! FORGET ABOUT WHAT BO' KNOWS! SPIKE'S THE ONE WITH THE GUN OF KNOWLEDGE!

Until we get BACK IN THE BLACK, LET THE "X" BE WITH YOU IN 1992 AND THEN SOME!! Also, LET ME ENTERTAIN YOU!!
