RACE UNITY PICNIC

On Sunday, October 18, 1992 the Baha'is of Las Vegas area will have a Race Unity Picnic at Lorenzi Park, from 12 Noon until 6:00 p.m. Race Unity is one of America's most challenging issues facing our nation, and that America can only achieve its high destiny through the unification of its rich and diverse racial elements.

The race Unity Picnic will emphasize the principle of unity in diversity, which Baha'is believes is necessary for the establishment of peace. This principle insures that no race or cultural group will ever be considered superior to any other. Rather, each will develop its unique and distinctive qualities and contribute to the diversity of the whole. For this principle to work, however, the Baha'is Writings emphasize, "The diversity in the human family should be the cause of love and harmony, as it is in music where many different notes blend together in the making of a perfect chord."

Baha'is believe that racial unity is a Divine commandment, a Law for this new age which will, inevitably, be realized in America. The Baha'i Writings state, "Close your eyes to racial differences and welcome all with the light of oneness." The source of this commandment is the Prophet Founder of the Baha'is Faith, Baha'u'llah, Whose name means, "The Glory of God." At the center of His message is the oneness of God, the oneness of religion and the oneness of humankind.

The race Unity Picnic Committee has sent out invitations to different churches, groups and community leaders to come together and enjoy food, refreshments, and games for the children. We hope that his gathering will be beneficial to all participating, and foster the spirit of friendship and unity.
