WHY YOU TRIPPING ON ME! Yes, MICHAEL JACKSON I agree. Why do people take their time to trip off the LA-LA, when people are hungry, dying, and fighting. Well, I plan on doing the DO, this Thanksgiving Holiday with coordination of my KIMBERLY ENTERTAINMENT NEWS CAN FOOD DRIVE! If you have enjoyed my news for the last two years, then please drop off your KEN CAN (KIMBERLY'S ENTERTAINMENT NEWS CAN) either at 716 South 6th Street Las Vegas, or at 300 West Washington in Ste. No. 8, at the KCEP Radio Station. Let's feed those less fortunate this Thanksgiving Holiday. TEX & KATHY are now BACK IN THE BLACK at PATRICIA'S LOUNGE at 208 East Sahara. I AM SO EXCITED BECAUSE I LOVE TO HEAR

EBONY ETCHINGS

(Continued from Page 12) Seltzer and Schaefer Beer, and directed several stage plays. His credits as a director include "Sleep No More," an adaptation from Shakespeare's "MacBeth," and "Psych Games," which starred Marla Gibbs. He also directed "Sezwe Bonzii's Dead," for Los Angeles City College and Compton Community College.

In spite of his busy schedule he always finds time to participate in Celebrity Sports Program helping charitable causes. He's also in demand as a celebrity for special guest appearances, seminars and workshops. It could easily be said, "Art Evan is the consummate actor."

"HOLLYWOOD HOTLINE..."

Roger E. Mosley's initial guest starring role on ABC-TV's "hit" comedy show "Hanging With Mr. Cooper" several weeks ago, was so impressive he was written into the show for three successive back to back guest starring roles. His three guest starring appearances have led to Roger being signed as a co-starring regular on the the new "hit" series, it looks like the former "Magnum P.I." co-star has opted to hanger his chopper and start 'hanging with Mr. Cooper' et al...and that's Hollywood this time!!

Until the next time, Lanier.

GOOD MUSIC FROM GOOD PEOPLE. I paid GATES BAR-B-Q a visit this past Friday for KCEP RADIO STATION'S live remote, spearheaded by one of the station's COOLER AIR

PERSONALITIES, ANDRE MICHAEL!

I have to say ANDRE, Vegas is lucky to have a progressive brother like yourself, and the radio station is even luckier!

LITTLE HAM IS COMING!!

Also, my sister-girlfriend, COOKIE BROWN was in the GATES' HOUSE adding to the beautiful atmosphere. WHITNEY HOUSTON'S brother is rumored to be in a drug rehabilitation facility for the second time. Also, word is that this famous family has not opted to take care of his ex-wife and two small children. It is hear-say that his ex-wife was forced to ask her sister-in-law's record company head for a job.

Malcolm X will soon be in a theatre near you. SPIKE LEE is being SCREAMED ON by a few New York' sisters who claim that he only hires Mulatto (HALF BLACK AND HALF WHITE) women to work in his posse. Also, word is that THIS ALMOST DO RIGHT MAN is kicking some POP SHOP owners out of his New York neighborhood OWNED building to make room for his new clothing line stores. COMEDY KING, RUSSEL SIMMONS OF THE HBO DEF COMEDY JAM SPECIAL is also coming out with a clothing line called PHAT HIP-HOP. Well, I don't know about that name RUSSEL.

Until we get BACK IN THE BLACK, LET THE "X" BE WITH YOU IN 1992. and remember I'm the entertaining girl, here to rock your world.

FURTHERMORE: Bypassing the six contenders in front of him, Bobby Brown rushes the top spot this week, climbing from #7; Unfortunately, Chuckil can't do any better than #2, where he has been for awhile now, and drops one notch along with Miki and Shinehead; Shinehead should creep back up next week though; En Vogue, in for the second straight week with their new cut, has practically dominated the rankings all year with cuts such as *My Lovin'* and *Giving Him Something He Can Feel* - these fine divas are now ready to topple the rest with *Free Your Mind*; *Wrecks-N-Effect* will look to Zoom-a-Zoom up the rankings and probably won't have any problem doing that since they have the hottest cut out and have been labeled as PHOTW

Locally Owned And Operated.

When American Bank of Commerce was founded in 1979 by a group of local business and community leaders, a couple of very important decisions were made even before the doors to the first branch were opened.

First, the group of local business and community leaders who established the bank decided it would become "the business bank."

Second, they pledged to meet all the banking needs of the business, professional and construction community.

People tell us we've done an excellent job of reaching both goals!

The credit goes to our dedicated staff members - many of whom have been with us since that first day.

Why not drop by one of our four convenient locations and find out how our professional Nevada bankers can serve you and your business?

And, when you return, you'll undoubtedly be greeted by those same people - ready to go to work for you.
