EVANDER HOLYFIELD MAY FIND TOUGHEST TEST AGAINST RIDDICK BOWE FRIDAY NIGHT

By W.G. Ramirez

October 25, 1990 marked the dawn of a new era - The Evander Holyfield Era.

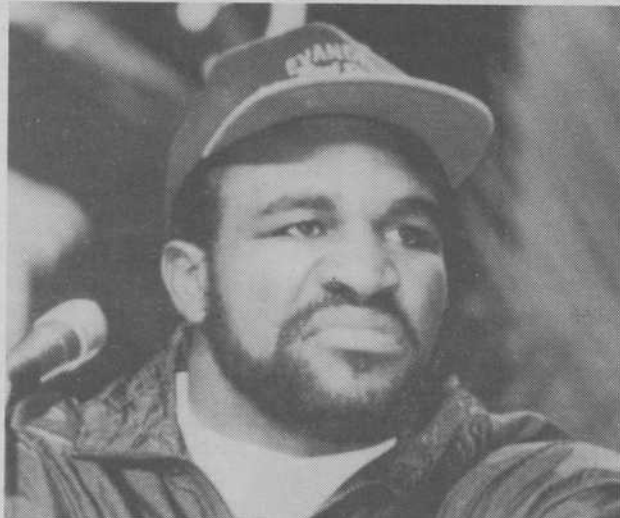

With a devastating one-punch knockout of James "Buster" Douglas in the third round, Holyfield (28-0, 22 KO's), captured the undisputed heavyweight title.

The 1984 Olympic medalist turned professional November 15, 1984 and clearly dominated the Cruiserweight division while staking claim to the division's fighter of the decade.

Following his victory over Douglas, Holyfield has successfully defended his title against three challengers; two of them being former world champions - George Foreman and Larry Holmes.

Let it be known, Evander "Real-Deal" Holyfield is very close to driving his stake into the heavyweights for the '90's.

One obstacle that stands in Holyfield's way, stands 6-foot, 5-inches and weighs in somewhere around 237 pounds. This same obstacle is the person that sent Bert Cooper into oblivion in the (See Fight, Page 20)

SUNSET DIVISION'S TOP TWO TEAMS ADVANCE TO ZONE CHAMPIONSHIP

By Bill Lee

Experience prevailed in the Class AAA Southern Conference Zone Semi-Finals last weekend as Head Coach Larry Bamson's Clark Chargers stunned the favored but slumping Green Valley Gators by the score of 24-21, to advance to the Zone Finals this weekend. The Chargers will be pitted against the surging Western Warriors, who kicked their way past defending state champ Eldorado in the

waning seconds to scalp the Sundevils' quest for a return to the state finals by the count of 17-14.

Sam Boyd Silver Bowl will be the place to be Saturday at noon as the number one and two representatives from the Sunset Division battle for a berth into Nevada's high school version of the Super Bowl, as well as the Southern Zone Championship.

Revenge is the operative word for this contest as the

Chargers will be out to better their second place finish to Western, after leading the division two-thirds of the way through the season. After a Warrior vic-

tory near the end of the regular season, over Clark, Western took over the top spot in the division.

As was stated in last week's Voice, be seriously aware of

Randy Lund's excellent range in the Warriors strong kicking game; combined with a well-balanced offensive attack, Clark will have to be on their toes to escape the Silver Bowl as victors.

Both the Chargers and Warriors showed outstanding poise maintaining their game plan in each of their semi-final contests. Both squads have the drive and determination to walk away from this weekend's clash with a big win.

They are explosive teams in every aspect of the game and they both have overcome big humps in the semis. Now that the consensus favorites, Eldorado and Green Valley, are out of their way, these two hungry contenders have their eyes on the Southern Zone crown and the ultimate prize just waiting in the wings - a crack at the Northern Zone Champions for the State Final.

From the looks of both teams' performances in the past weeks,

only silly mistakes will keep this game from being an exciting rematch of division rivals.

In the Northern AAA Zone Semi-Finals, McQueen crushed Lake Tahoe 43-6 and Wooster topped Reed 20-7. McQueen and Wooster will meet, this weekend, for the Northern Zone Title and a berth into the State Final against the winner of the Clark-Western contest.

In case you missed last week's issue, a few of the Sentinel-Voice staff predicted their winners for the semi-finals and their eventual Zone finalist. Editor-In-Chief Lee Brown was the only one to pick the Western Warriors over the Eldorado Sundevils, while Sports Editor Willie Ramirez was the only one to predict Clark over the Green Valley Gators. Brown is sticking with Western, and Ramirez is staying with the Chargers to advance to the State Final, next Saturday at the Sam Boyd Silver Bowl.

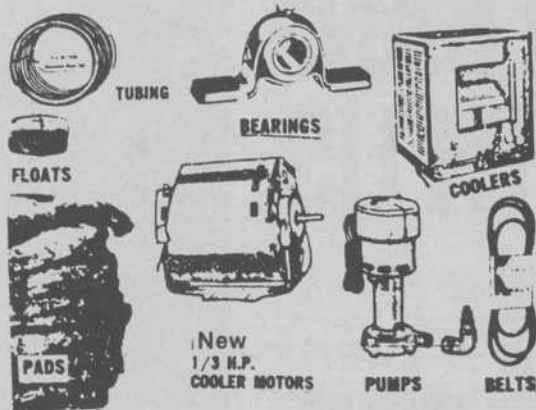

Good Luck to both teams.
