Rise Foster, a former Delta Scholar who now attends Howard University in Washington D.C. said the workshops helped her gain self confidence and courage to survive on a large campus. Information she received from one workshop presenter helped her to decide to become an obstetrician instead of a pediatrician as she had previously planned.

The program is a series of workshops designed to help high school seniors survive the changes of being away from parental supervision and includes topics ranging from careers to dating behavior and options.

The 16th Annual "Sepia Fashion Revue", featuring the Vogue-Esquire Models of Chicago, will be presented December 5th for the benefit of its 1992 Delta Scholar program. The fashion show, dinner and dance will be held at 7:30 p.m. at the Alexis Park Hotel. For ticket information call 646-7575 or 647-1122.

# BECAUSE ONLY BY CELEBRATING CULTURE CAN WE HOPE TO INSPIRE ART.

Whether made with words, images or music, art resonates through African-American life. Recording our experience, revealing our humanity, depicting our soul. It can soothe or excite, enlighten or entertain, constantly compelling us to look and listen.

At Kraft General Foods, we're proud to help bring the visions and sounds of ethnic culture to the community. Not only helping people to experience the art of others, but inspiring the artists themselves.

Because only through the celebration of art can we begin to understand what makes us human.
