HAPPY DAY OF GIVING TO ALL! I honestly hope that everyone is enjoying their THANKS-

GIVING HOLIDAY! It is nothing like this very special Holiday when families and friends come

together to THROW DOWN (EAT) and share some memorable conversation. As I am

## CCSN TO FEATURE MUSICAL "RED HOT AND COLE"

The musical "Red Hot and Cole," a scintillating mixture of mood, music and biography, featuring the songs of the legendary Cole Porter, will be featured at the Community College of Southern Nevada from Friday, December 4 through Saturday, December 12.

The two-act revue, cast in the form of a party spanning four decades of Porter's life, traces

Archie plus Albert Hall, Kate Vernon, Ernest Thomas and other actors and actresses making up the cast supporting the principal players, including the films director/producer Spike Lee playing the role of Shorty, Malcolm's side-kick and partner in crime also adds to the convincing qualities of the story being told.

As a member of the viewing jury who has been sworn to uphold their civil duty to view all the evidence and hear all testimonies offered before passing judgement or casting their vote to condemn, or vote in favor of the plaintiff, now hear this!! The verdict from this jury is in, and Spike Lee gets our nod and vote of approval for a job well done in telling Malcolm's life story with taste, discretion, sensitivity and truth. All previous charges of fraud, deception and/or mismanagement of funds relative to the production of this film that various groups were trying to get him sentenced on, have been dismissed. He is completely exonerated by this court and jury of all previous charges!!

It is also the recommendation of this court, that an apology be extended to Mr. Lee from all those who doubted that he was capable of doing the job of producing such a fantastic film. A film that certainly makes him and the end results worthy of being nominated for an "Oscar" in the respective categories of "Producer of the Year," and "Film of

his adventures from Indiana to the world stages of New York, London, Paris, and Venice through his marriage, his friendships with the greats of his age, and the tragic riding accident which crippled him in midcareer, physically but not artistically.

The cast includes Michael Connolly, Joey D'Attili, Kathleen Etor, Daniel J. Frank, Renee Hale, Scott Jacobs, Christy

Kluesner, Richard B. Little, Stormi Lloyd-Drake, Dawn Merritt, Suzanne Mikols, Liane Redpath, Gregory Schott, Heidi Warfel, Juanita Ridley-Wasson, and Martha Watson.

The production will be directed by Garold Gardner, with musical direction by Ross Saarela, set design by David Dekker, costume design by Diana Martin and light design by

The Year."

We further recommend that African Americans from all walks of life, make it a point to take their families or someone and go see this movie as quickly as possible; and when you've done that, take the time and write a letter or a card to Warner Bros. Studios, to let them know how great the movie on the life of Malcolm X is. What historical facts and what a wonderful job Spike Lee has done in bringing to the screen such a magnificent

history of a great African American leader whose poignant message for racial progress and pride, a greater understanding and unity among people was silenced by bullets from the guns of paid killers close to thirty some odd years ago.

By doing this you will enable Spike Lee to keep on producing and directing more magnificent movies, honoring other great African Americans...and that's Hollywood this time!! Until the next time, Lanier.

writing this article, I can hear my mother's blender spinning those sweet potatoes for those special SWEET POTATO PIES. I believe the SWEET POTATO PIE is by far the starring attraction, ALONG WITH THE BIRD, in most African American households during Thanksgiving. Oh yes, and we can't forget the moment when THE MAN OF THE HOUSE, or in my case My FATHER, cuts the THANKSGIVING TURKEY, like it's an art form that only he can orches-

Brenda Kennedy.

Gardner has an extensive theatre background, including acting roles in Broadway productions of "Camelot," "Most Happy Fellow," and "How to Succeed in Business Without Really Trying."

Times for the performances are as follows: December 4, 5, 10, & 11 at 8:00 p.m.; Sunday, December 6 at 2:00 p.m. and Saturday, December 12 at 6:00 p.m. and 8:30 p.m. General admission tickets are \$8. Student, senior and disabled citizens pay \$6.

For reservations, call 644-PLAY.

trate. Yes, watching my father cut our Thanksgiving Turkey was truly an entertaining one. I would like to thank Chocolate for assisting me with my KIMBERLY'S ENTERTAINMENT NEWS CAN FOOD DRIVE. The needy recipients of the KIMBERLY'S ENTERTAINMENT NEWS THANKSGIVING FOOD BASKETS will be profiled next week. Speaking of GIVING IT UP, OPRAH WINFREY has finally gotten engaged to six year boyfriend, STEADMAN. During one of her talk show episodes she mentioned that she believes in PRE-NUPTIAL AGREEMENTS, and stated, "I'M GONNA HAVE ONE!"

Also, people are talking about how the police departments in several states surrounded the theatres expecting UNCONTROLLABLE VIOLENCE during the opening dates of MALCOLM X! Little did they know it was all about CONTROL, and there were no reported incidents of violent outbreaks in any city. SIT BACK, RELAX, AND GO SEE THE MOVIE!

It is WORD-UP by a very close friend of JEFFREY OSBORNES', that JEFFREY has assigned his wife, SHERIE, to be in full control of his

career, and now holds the title as JEFFREY'S road manager. There are also continuing rumored reports that the LADIES are still on the MAGIC MAN and that he is still taking numbers. JUST REMEMBER ABOUT NUMBER 13.

Don't forget to catch my radio show, KIMBERLY'S ENTERTAINMENT NEWS ALL THE WAY LIVE, on KCEP 88.1 FM RADIO this Friday, November 26, 1992 at 7:30 a.m. My special PARTNERS IN GOSSIP CRIME GUEST WILL BE MEMBERS OF THE HIT RECORDING GROUP, SPECIAL GENERATION.
