BARRY'S BACK!! The MAESTRO, BARRY WHITE is BACK with his musical box set of all his LATE GREAT HITS. Tunes like: "ECSTASY" and "YOUR BABY BLUE PANTIES" are featured among many others of his most famous hits.

YES, BRING IN THE NEW YEAR IN A BARRY KIND OF WAY! I GOT MY BABY BLUES FOR THAT BABY-DADDY! The RUSSEL SIMMONS DEF COMEDY JAM was recently in Las Vegas, Nevada this past week at the CASHMEN THEATRE. I have heard no NEWS on the show because I DIDN'T GO! ANYWAY! It was reported to me that a local Las Vegas woman saw MAGIC JOHNSON rapping to one of his WILD THANGS while visiting Las Vegas recently. She reportedly went completely OFF stating, "That's a shame that you are carrying on like that in public and your wife and baby are home in Los Angeles." HIP! HIP! HOO-RAY! BILL COSBY'S "TO BET YOUR LIFE GAME SHOW" will no longer be played! The COSBY TO BET YOUR LIFE GAME SHOW HAS BEEN CANCELLED. Now, didn't I predict

that when it first came out! YOU CAN'T CALL ME CRAZY!

VANESSA WILLIAMS and HUBBY, RAMONE are expecting their THIRD baby. I wish them well, even though I know RAMONE won't call me to thank me for the compliment.

One local fraternity, KAPPA ALPHA PHI recently awarded me and some other OUTSTANDING AFRICAN AMERICAN WOMEN in our community with their "WOMEN OF THE YEAR" awards. I was SO-SO thankful to receive my first community award. So often other organizations only resent positive activities you try to do for the betterment of the community. IT'S REALLY SAD, but my KAPPA BROTHERS GAVE IT UP, AND FILLED ME UP WITH EMOTION! LARRY WEEKLY is by far an outstanding brother who I respect and admire for starting the YOUNG KAPPA LEAGUE for our community brothers. LOVE YOU LARRY, AND WHEN I GROW UP I WANT TO BE JUST LIKE YOU!

Well, until we get BACK IN THE BLACK, remember LET ME ENTERTAIN YOU!

Clem Daniels, Lawrence McCutchen, Jim Shorter, James "Shack" Harris, and quite a few current players who won't be playing in this year's Super Bowl. The Tournament Committee expects to field 300 golfers comprised of celebrity golfers, local amateur golfers, and quite a few out of town golfers, in town for Super Bowl XXVII. Aside from assisting a very worthy cause, everyone playing in this charitable event will come away a winner; and believe me, it's a golf tournament you definitely don't want to miss!

For additional information, or entry blanks to sign up and play in this "Pre-Super Bowl Celebrity/Amateur Golf Tournament," call Ms. Dorothy Woods at the New Revelation Community Outreach Center in Pasadena. The phone number is (818) 795-0700, or give me a call at (818) 718-6730.

"HOLLYWOOD HOTLINE..."

Greg Alan-Williams who plays the co-starring role of Sgt. Elerbee on the syndicated television show "Baywatch," and who you might have seen

Thanksgiving morning on "Good Morning America" talking about his feelings today, after rescuing an Asian American during the Los Angeles riots while risking his own life, is currently writing a book about this experience and how it's affected him.

Speaking of writers and their writings, there's a very strong pitch coming from some fellow writers to get Joe Nozel's novel "Delta Force" made into a film project. In the course of picking up this news item we heard Roger E. Mosley's name as the lead role prospect, and Spike Lee's name as the director they would like to have direct the film project.

Oh by the way, "Delta Force" is published by Holloway House, and it does have the story line, ingredients, etc., to make a very interesting film.

According to my Chicago spies, Gladys Knight's current

stage play "Madam Lily" left a lot to be desired with Chi-town theatre goers even with the help of Dorian Harewood and David Peaston singing their hearts out. Here's hoping for this collection of my favorite people involved in this touring stage production that they get their act together and have a record breaking run from here on!!

With Warner Bros. releasing the sound track of "Malcolm X" by jazz trumpeter Terence Blanchard (and might I add, he's done a fantastic job with the 26 musical interludes), we wonder if history will repeat itself like it did with the motion picture "Shaft" and the musical soundtrack by Issac Hayes.

If you can recall the cross promotion of both movie and soundtrack made both items a 'hit'...and that's Hollywood this time!!

Until the next time, Lanier.
