## EAZY-E: 5150

Returning from a four-year long and far from a quiet hiatus, Eazy-E is back from the edge of insanity with his newest release. Operating in an abnormal mindset for so long, Eazy wasn't sure where reality was nor did he know how far he was from it. He did know that the police code number for the criminally insane was 5150 though. From this receive the name of his new maxi-single, 5150 Home 4 Tha Sick.

As mentioned before, this is Eazy's first release in four years, and it has already shipped gold. The rap superstar's maxi-single had pre-orders for 250,000 units and re-orders have already come in for over 150,000 additional units.

5150 Home 4 Tha Sick is a preview to Eazy E's long-awaited album entitled Temporary Insanity which is due in stores in February. The single contains a bonus Holiday track featuring the legendary comedian Rudy Ray Moore as Uncle Dolomite. It also features the explosive single "Only If You Want It" which will arrive at radio stations after the new year. A video for "Only If You Want It" featuring guest appearances by Naughty By Nature is also in the works.

## BILLBOARD'S BEST FOR 1992

- No. 1 Hot Single:**  
— End of the Road-Boyz II Men
- No. 1 Hot 100 Single:**

— Michael Jackson

KRIS KROSS

Boyz II Men's soundtrack smash, End of the Road, from the motion picture Boomerang, ran for 13 straight weeks as the No. 1 song, breaking Elvis Presley's longtime record.

Michael Jackson also received a Commemorative Award for the tenth anniversary of the Thriller LP

**HAPPY NEW YEAR!!** Yes, it's time for a NEW YEAR and a NEW MAN!! YOU UNDERSTAND? Before I knock on your NEW YEAR GOSSIP' DOOR, I made a BOO-BOO last week, and I would like to correct the in affect news I brought to you.

My mention of T.K. KIRKLAND having a drug abuse problem was miss-guided info. It wasn't T.K. KIRKLAND who was rumored as having a problem, it was comedian T.K. CARTER.

Sorry, MY BAD!! That grand DIVA MAN, who is said to be one of the richest African American Men in the Country who LOST THAT BET, is said to have made an OH-LA-LA RAP on his TO BET HIS LIFE' assistant. He is rumored as suggesting to his assistant that she would look more attractive with another hair style, and when sister girl friend reported to work the next day, a stylist was waiting in her office TO RE-DO HER HAIR-DO.

Unaware of the BET MAN'S request, she explained to the stylist that she hadn't made an appointment, and was not going to change her hair style.

## If You're Dabbling In Drugs... You Could Be Dabbling With Your Life.

Skin popping, on occasion, seems a lot safer than mainlining. Right? You ask yourself: What can happen? Well, a lot can happen. That's because there's a new game in town. It's called AIDS. So far there are no winners. If you share needles, you're at risk. All it takes is one exposure to the AIDS virus and you've just dabbled your life away.

For more information about AIDS, call 1-800-842-AIDS. Nevada AIDS Hotline

This is a message from the U.S. Centers for Disease Control.

Later on MR. DIVA MAN WITH THE GREEN PLAN called her at home and proposed that mistress' role. She turned down his offer, and a reported week later was fired from her assistant J.O.B. Speaking of being FIRED, that HIT THE NAIL ON THE HEAD rapper is said to not be talking with his brother because of the BUST IT role he played out.

That "AL" who is SURLEY the one is said be into the "SWIRL" with a Warner Brothers' executive "GIRL!" According to industry rumored reports, MR. SURLEY laid it down in a WHITE WAY, and MS. ONE TIME LITTLE HOUSE ON THE PRAIRIE is now stepping out with a new FLY ATTITUDE! Speaking of the "SWIRL," my girl friend CHOCOLATE and I were recently having lunch at one of our local restaurants, and being that it was a BAD MAN

DAY, we were not in the mood for any ZEBRA' food. Nevertheless, a FINE brother came into the local eatery, and sat in a booth right next to ours.

Being that it is not too often when we see a brother holding all the goods, we gave up some serious YUM, YUMS. To our surprise this brother didn't even acknowledge our pleasing eye contacts with respectful, "Hello, my Nubian Sisters." Instead, this OPIE of a brother just put his head down, and started talking on his cellular phone.

I should have known that the brother was in a confusion state of identification when his I LOVE LUCY look alike came "OFF BEAT" gliding in to join him.

Oh, this BROTHER FROM ANOTHER PLANET lit up when he saw his vanilla ice ding-dong greet him with that same old systemized sing song.

I know that the interracial relationship THANG is in FULL SWING, but brothers DON'T EVEN TRY TO DISRESPECT SISTERS THAT LOOK LIKE YOUR MA, MA! A little hello would not of hurt this BROTHER FROM ANOTHER!

Well, until we get BACK IN THE BLACK, REMEMBER LET ME SET YOU FREE IN 1993 because I'm your ENTERTAINING GIRL here to ROCK YOUR WORLD!
