"A MIND IS A MARVELOUS THING TO DEVELOP"

**If You're Dabbling In Drugs...
 You Could Be Dabbling
 With Your Life.**

Skin popping, on occasion, seems a lot safer than mainlining. Right? You ask yourself: What can happen? Well, a lot can happen. That's because there's a new game in town. It's called AIDS. So far there are no winners. If you share needles, you're at risk. All it takes is one exposure to the AIDS virus and you've just dabbled your life away.

prosperous and happy New Year. We also wish to thank our many friends and associates that sent get well cards and flowers and remembered us in their prayers during our period of recovery in the hospital. Those beautiful cards and lovely flowers we received sure made this ole guy feel pretty special, and we thank all of you again and again.

"COMMENTS AND CONVERSATION..."
 John Roberts who heads up his Soul Heritage musical group

every weekend at Sir Alex's niter when he's not traveling to handle his conductors chores for Barry White, is back in town and musically cookin' at Sir Alex's following his recent concert tour of Europe with the Maestro. Tinseltowners looking for a place featuring great music and a friendly atmosphere should definitely stop in Sir Alex's some Friday or Saturday nite and grove to the sounds of John Roberts and his Soul Heritage group.

In my ole' hometown of Philadelphia, the Philadelphia Clef club is getting ready to launch a series of major fund raising events to enhance the fulfillment of a dream — a new Clef Club Building at Broad and Fitzwater Street to house a jazz center that will be a national and local treasure. The very first of these fund raising events will be a special concert at the Prestigious Academy of Music on Monday, January 18th, in conjunction with Dr. Martin Luther King's birthday. This Clef Club presentation will feature a stellar line up of nationally recognized jazz artists in concert and billed as "Jazz Celebrates Dr. Martin Luther King." A number of ex-Philadelphians excelling in the

field of jazz are expected to be there performing, including jazz organist Jimmy Smith.

"HOLLYWOOD HOTLINE..."
 Roger E. Mosley and Art Evans are two of Hollywood's finest being called on to take part in the TBS Martin Luther King, Jr. Parade and other festivities celebrating the birthday

of the slain civil rights leader in Atlanta, Georgia, Monday, January 18th. The Parade and quite a few of the festivities will be aired over Turner Broadcasting facilities nationally.

Speaking of Art Evans, film critics are really raving about the role he plays in the movie "Tres" (See *Ebony Etchings*, Page 11)
