

That late MR. NIGHT THING talk show host is rumored as being in a major feud with MR. PASSENGER 57. According to my sources, MR. 57 got mad at MR. NIGHT THING for showing a clip from the PASSENGER MOVIE on his NIGHT THING TELECAST that MR. 57 didn't like. It was reported that the two CHOCOLATE BROTHERS got into a serious NIGHT THING CONFRONTATION and MR. NIGHT THING was quoted as saying, "I WILL SHOW ANY CLIP I WANT! THIS IS MY SHOW!!" Ever since, the two is said not to have spoken. To top this BAD THING OFF, MR. 57 is said to have been in the hot Los Angeles ROXBURY NIGHT CLUB and apparently took a seat that was not that 57' one. ROXBURY STAFF was reported as having to tell MR. 57 that he had to move because he was seated at MR. NIGHT THING'S TABLE. It is hearsay that MR. 57 is so upset with MR. NIGHT THING that he is refusing to ever go on the NIGHT THING TELECAST again. HALLE BERRY is said to have made those large WEDDING steps this past New Years Eve with ATLANTA BRAVES' DAVE JUSTICE. Also, it is ALL TALK that another BRAVES member has also been GETTING BUSY, with that famous welterweight fighter's USE TO BE WIFE, who left him for MR. SING SONG, who is also now SINGING ALONE. It is WORD UP that MR. SING-SONG is so upset about that BRAVES' STEAL that he is THAT BEAST looking for another BEAUTY! Speaking of those IN LIVING LARGE FIGHTERS, one fighter who recently lost that major title is said to be coming out of his SHORT-TERM retirement with a HAMMER attitude. Yes, HAMMER is said to be starting a NEW THING, and has opted to promote this HOLY in the FIELD of boxing. MR. TOOL MASTER is said to be trying anything that will bring about some GREEN because of financial problems. Things are reported as being so bad for the TOOL MASTER that he is sleeping on the floor in his new 20 million dollar home because he can't afford any furniture right now. The name of his new sports management company is, ROLL WIT-IT MANAGEMENT. Someone who was ROLLING IT in the wrong direc-

tion recently got slapped with a \$577 fine or emulating a sexual act with one of his female dancers while in concert in Augusta, GA. WHO may you ask is the SEX DADDY GIVING UP HIS WHITNEY' CANDY? Who else, but BOBBY BABY, as in BOBBY BROWN! I try to stay away from all the FLEX BOBBY, but you're NEWS BABY!! WHITNEY is now reported as being 7 months pregnant, and traveling on tour with her HUBBY WITH THE RUBBIE! Also, it is WORD that BOBBY'S TOUR is not doing so well, and that only 6,000 showed up to see the concert in a 22,000 seater in one of the touring cities. Since we are on that SEX TIP, NIKKI HARRIS who use to be one of MODONNA'S back up singers recently got the part to play BILLIE HOLIDAY in an up-and-coming movie. It was reported that every African American actress showed up for the auditions. NIKKI beat out the best of them for the part, and was recently seen in a local Los Angeles Cafe, and one of my sources said to this hot new Diva, "THE MALCOLM X BILLIE HOLIDAY ACTRESS MUST REALLY BE UPSET THAT YOU GOT THE PART." NIKKI'S responded with, "I have lines and 25 songs!" Also, NIKKI currently has a single out overseas that is number 1 on the charts, while counter part, MODONNA is at number 30, and the overseas word is that NIKKI is moving WHITNEY out of the way. WHAT YOU SAY??

Well, all I know is that WHITNEY'S BODY GUARD SINGLE, "I WILL ALWAYS LOVE YOU" has sold 4 million copies. And word is that sales is going to exceed "WE ARE THE WORLD"

The LAS VEGAS SENTINEL-VOICE

AS THE BIGGEST SELLING SINGLE.

That WORLD is not looking so good for MR. SILVER GLOVE. It was recent hearsay that he was asked to perform at the Presidential Inaugural Celebration along with a whole host of celebrities and performers. The T is that MR. SILVER GLOVE requested that he be the only entertainer to perform at the inaugural, and all the REST BE DISSED! When the word got around, MR. SILVER GLOVE is rumored as taking back his words, and had his attorney make a statement that he did not

make the statement, "and if the President wants me to perform I will." Some folks are saying that MR. "I'LL BE THERE" got caught with his SILVER GLOVE OFF, and was embarrassed that his statement got out. Also, the WORD UP is that he is upset that he is not getting the record sell response that he is use to with his HEAL THE WORD release, and is afraid that he is loosing his POP-ular' ground. As a result, he is doing more special appearances. On February 10, 1993, he is scheduled to appear on the OPRAH WINFREY SHOW to be

interviewed. I MUST BE DREAMING!! Also, word is that a new SODA commercial has been released overseas with a vanilla ice brother portraying MR. DANCE MACHINE. There is a reported considerable amount of controversy over the commercial, but the SODA EXECUTIVES have said that they had to use a vanilla ice actor so that the arms match MR. SILVER GLOVE'S FACE. The actor is apparently wearing an actual mask of MR. SILVER GLOVE in commercial. Also, it is WORD that MR. SILVER GLOVE wanted a vanilla ice boy to audi-

tion for the part of himself in the televised JACK-IN-THE-BOX show.

R&B LIVE NIGHT CLUB kicked off it's new entertainment series in the LA-LA land of HOLLYWOOD. The climax of the evening was when recording groups SHAI, COLOR ME BAD, and BOYZ 2 MEN joined singing forces and did an acuppella version of MARY DON'T YOU WEEP! Last but not least, the word is that an ALL NEW AND IMPROVED CONDOM IS HITTING THE MARKET WITH THE AFRICAN AMERICAN BROTHER IN MIND! THE ZULU CONDOM RESPECT & PROTECT IS SOON TO BE IN IN A LOCAL STORE NEAR YOU! YES, MY BROTHERS LETS DO THE ZULU! Well, remember if you would like to know something about your OH-SO-LA-LA celebrity write to me at 716 So. 6th St. Las Vegas, NV. 89101. Until you get this PEARL, I'M YOUR ENTERTAINING GIRL ALWAYS HERE TO ROCK YOUR ENTERTAINING WORLD!

JAMES NEWTON VISITS UNLV FOR CHAMBER MUSIC SERIES

LAS VEGAS — Chamber Music Southwest's Series will present "All That Jazz" with flutist James Newton and the Sierra Wind Quintet at 7:30 p.m., Jan. 23, in Artemus W. Ham Concert Hall. The performance, originally scheduled on Oct. 4, was postponed because of a death in Newton's family. A major force in contemporary musical styles, Newton brings a wealth of experience as a performer to the Las Vegas audience.

His previous albums have concentrated on his compositional skills, involving extended arrangements and additional musicians. Listed by Downbeat Magazine as the "Best Jazz Flutist" (1982-91), Newton is renown for his abilities to play in both the classical and jazz styles. His many jazz recordings, including "The African Flower," named No. 1 album in 1983, and his recent success at winning a Guggenheim Fellowship to compose his first symphony, make Newton an up and coming national treasure.

Stephen Caplan, clarinetist Felix Viscuglia, hornist Lynn Huntzinger and bassoonist Kristin Wolfe. Their first compact disc, "A Box of Views," was recently released on the Cambria Records label.

For more information contact Barbara Hall, Public Relations Manager, Performing Arts Center, 895-4039.

The second half of the concert will include a jazz performance with Newton and members of the UNLV award-winning all star jazz band. UNLV jazz band members include Brenda Leonard, piano, Kevin Thomas, bass and Joe Malare, drums.

The Sierra Wind Quintet, in residence at UNLV, winners of praise from The New York Times, Fanfare Magazine and The American Record Guide, has performed for audiences in the United States and abroad.

Flutist and composer, Newton has long been a winner of United States and international jazz artist reviews. His new album, "If Love," brings seven new compositions, and his quartet plays them with passion and finesse. This album is straight-ahead Newton, capturing the fire and excitement of a live night club performance.

The quintet gave their Carnegie Hall debut recital earlier this year and was praised by the New York Times for their "sense of styles." The group is comprised of flutist Richard Soule, oboist
