"TOP OF THE ETCHINGS..."

The Pasadena Lincoln/Mercury and USAir sponsored "Pre-Super Bowl Celebrity/Amateur Golf Tournament" that took place on Wednesday, January 27th, goes down in the pages of fund raising history events as a winner. The inaugural event also set the stage for this type of resource development event to become an annual fund raiser for the New Revelation Community Outreach Center. However, two things will change relative to

future tournaments benefiting the center. All future tournaments will be called the Annual Bill Moore Celebrity/Amateur Invitational Tournaments in honor of William "Bill" Moore, the Co-Chairman of the inaugural event who died while helping to produce the inaugural "Pre-Super Bowl Celebrity/Amateur Golf Tournament" to benefit fund raising concerns of New Revelation Community Outreach Center of Pasadena, to finance

their tutorial assistance and supervised physical education programs of 'at-risk' youngsters of the area. The date for future annual events will be during the month of February.

Speaking of New Revelation Community Outreach Center and their resource development programs to support the work of the center with 'at-risk' youngsters of the area, their next fund raising program will be the stage production of "The Life And Times of Deacon A.L. Wiley," the PBS Award Winning One Man Play starring Greg Williams, co-star of the syndicated television series "Baywatch," who was also cited nationally for saving the life of Takao Hirato, a Japanese American from an angry mob during the riots in Los Angeles last April.

The scheduled dates for this dramatic award winning turn of the century stage play will be March 12th and 13th, 1993. The theatre where the benefit performance will take place will be announced soon.

Another sad note was sounded in Tinseltown with the news of the passing of Claudia

Lucille Rhodes the wife of the late history making African American golf professional Ted Rhodes, who expired at her home on Tuesday, January 26th, following a lengthy battle with cancer.

She was 73 at the time of her death, and she's survived by her daughter Debbie Rhodes and a grand daughter De'Shan Shamia Rhodes. Ms. Rhodes was born in South Bend, Indiana. Funeral services were held at the Angelus Vista Funeral Home in Los Angeles, on Monday, February 1st.
