The True Love Missionary Baptist Church is working hard to get the community involved with our churches. If we as a people would come together and let our youth know that we are somebody, we wouldn't have the problems we face today. The Lord will bless and strengthen us as His children and fulfill His promise. If the Lord is on your side, who can be against you?

Prayers are powerful communications without Father and we must keep this line of communication open. Yes, we have been oppressed and depressed for a long time, but His word will come to pass. Let us try to be more patient, understanding and compassionate to each other.
