

"I DON'T LIKE MUCH CANDY IN MY TUMMY, BUT I'M SWEET ON YOU!" Yes, LO KEY, I think everyone is sweet on this single! Now! You know we have to watch those calories...1,2,3, STOP!!! ***

That LITTLE SISTER has made it to the CHART HITTING MOUNTAIN TOP with her THAT'S THE WAY LOVE GOES' hit single. Yes, her name is MS. JACKSON if you're NASTY! ***

In a POETIC WAY, it was recently rumored that LITTLE SISTER DISSED that STRIKE A POSE VANILLA DIVA and her last album effort. That LOVE GOING SISTER was quoted as saying that, "MS. STRIKE IT'S LAST ALBUM WAS HORRIBLE AND A WASTE OF TIME." YES, I THINK WE WILL CALL YOU MS. NASTY! YOU GO NUBIAN GIRL!! ***

Someone else who recently got REAL NASTY was the husband of that DISNEY CHARAC-

TER who spells her name M.I.K.K.I. Yes, MR. THANG, went down the yellow brick road to OZ, and never came back until he gave that colorful DORTHY'S sister-in-law a heart attack. He was that serious tornado that WHIPPED through that GIANT SISTER-IN-LAW'S OFFICE. WHY, You may ask? Well, I said that he was in OZ, or should I say the EMERALD CITY. Rumored reports have been that he turned into this uncontrollable TORNADO, when his MOUSE seemed to be musically IGNORED by that GIANT WIZARD with the YELLOW BRICK BRAIDS. MS. WIZARD didn't like HOMEY'S attitude one bit, and STOPPED HANDING OUT THOSE GIANT HEARTS, and DROPPED MRS. MOUSE from the GIANT EMERALD CITY DOORS. WILL IT BE MORE??? STAY TUNED! ***

CAT'S JAZZ REVIEW

This month has been full for Jazz buffs with the climax unfolding Saturday the 22nd at Floyd Lamb State Park. Fattburger and Kilauea take the stage for what promises to be a great evening of contemporary jazz. At presstime the name of the third group to appear was not available.

Quite a few new releases since last month's preview, so without further ado here they are!! Michael Franks is back with "Dragonfly Summer", twelve sensational tunes from start to finish. "Worth Waiting For", from Jeff Lorber, suits the title to a tee. Cuts to hear are Jazzery, Wavelength, and High Wire, but of course that is not to say that the remainder of the release will not please the ears. Paul Jackson

Jr. has eleven hip tracks from his latest "A River in the Desert". My favorite slice is Preview of Coming Attractions." Here are the rest of the current releases: Dave Samuels, "Del Sol"; Dan Siegel, "The Getaway"; Kim Pensyl, "Eyes of Wonder"; Stephen Scott, "Aminah's Dream"; Vanessa Rubin, "Pastiche"; and last but certainly not least is saxman Cal Bennett, a new cat on the scene, with his debut CD "Local Hero. No question, you'll like this. If the traditional touch of jazz is what you fancy then by all means tune into the "Dr. Jazz" Sunday's at three in the afternoon on KCEP FM 88.1 and check yours truly Monday thru Friday at 11am-noon for the contemporary side (See Jazz Review, Page 21)

FO-SHO! MRS. MOUSE was seen on that STRONG TO BE WEAK R&B TIP rumbling and stumbling from too much RIPPLE IN THE NIPPLE. "I HAD A BAD WEEK!!"

Speaking of MORE, or should I SAY MO as in MO MONEY? Well, MO means so many things in our INDUSTRY. One national DIVA who is rumored as still residing on that MO STREET is rumored as EXPRESSING herself in an AMERICAN WAY. Well, you know that MO was not WIT IT for several reasons. One of those reasons being that MO does stand for MO MONEY, and that the AMERICAN WAY is not synonymous with the DETROIT WAY, WHAT YOU SAY? WELL, IT WAS JUST ON MY "FINGERTIPS!!" ***

IS LAVERNE & SHIRLEY BACK ON? NOT!!! SHIRLEY (WHO COULD BE REWRITTEN AS AN EPIC) has DISSED LAVERNE and sent her back home. ***

SET TO RUN has RAN OUT of a rumored business. This RAPPING company is said to be chanting... "I NEED A JOB! HIP-HOP TILL YOU DON'T STOP!" ***

WILL SOMEONE TELL ME WHAT'S GOING ON ON THE CAPITOL! They have done some redecorating. Changing an already successful RHYTHM promotional department's wall paper from historic DOO-DOO-BROWN TO VANILLA. I hope we are not talking about ICE because it could be a very COLD year. ***

The comedic sister to look out for on the comedy scene is a

N stands for N THE INDUSTRY..... N THE INDUSTRY is Los Angeles' newest and hottest nightclub for folks "in the industry". Hosted by L.A.'s top party thrower, Bryon Nelson, N THE INDUSTRY is providing Los Angelenos an elegant locale for jazz and dinner, R&B performances, art exhibits and dancing, every Thursday night at Tripps in Century City. Nelson originally conceived of N THE Industry as an exclusive setting where professionals in the entertainment field could come to relax and be entertained. So far, Al Jarreau, Tisha Campbell, Wesley Snipes and Jaime Foxx of "In Living Color," have graced the club with their presence. Paul Russo, Phil Upchurch and Betty Bryant have thrilled audiences with their jazzy performances while Kirk Whalum, Himalaya and Lisa Taylor were scheduled guests in April. R&B balladeers SHAI and A&M recording artists B.B.O.T.I. have also come out to rock the house. "Night Life in Los Angeles has been missing something," expressed Nelson. "Folks in the industry need a place where they can go and be pampered a bit. N The Industry is that place. It's what night life in L.A. is supposed to be about."
