**JESUS CHRIST SUPERSTAR**, the original rock musical by Andrew Lloyd Webber and Tim Rice, is on an SRO coast-to-coast tour in 1993, reuniting **Ted Neeley** as Jesus and **Carl Anderson** as Judas, stars of the enormously popular motion picture twenty years ago. Dennis DeYoung of the rock band STYX makes his theatrical debut as Pontius Pilate.

**SUPERSTAR** boasts music by Andrew Lloyd Webber, composer of **THE PHANTOM OF THE OPERA** and **CATS**, and lyrics by Tim Rice, whose collaborations with Webber include the Tony Award winning **EVITA** and **JOSEPH AND THE AMAZING TECHNICOLOR DREAM-COAT**.

**SUPERSTAR**, which is based on the last seven days of the life

**CARL ANDERSON AND TED NEELEY**

roots utilizing contemporary theater technology, including state-of-the-art hand-held and headset wireless microphones,

fiberglass and computer generated lighting. There will be 8 big performances at the Aladdin Hotel & Casino beginning on June 8th through June 13th. June 8th through June 11th will have evening performances only starting at 8:00 p.m.

Continued claims dropped by three percent over the same period. All of this indicates an improving statewide economy." Jones said. "The over month industrial employment data continued to reflect job growth in Nevada. There were 3,400 more Nevadans employed in April than the previous month, and 23,600 more jobs than this time last year."
