## SPORTS COMMENTARY LOOK IN THE MIRROR

**By W.G. Ramirez**  
Well, well, well. Michael Jordan is human and isn't perfect after all; Then again, who actually said he was in the first place?

You did, yeah you, look in the mirror. You and the rest of the public that just adores Mike.

But anyway, this actually isn't about Michael and his "hobby." Its about all his wise cracking critics that seem to have forgotten the great things they once said about His Airness.

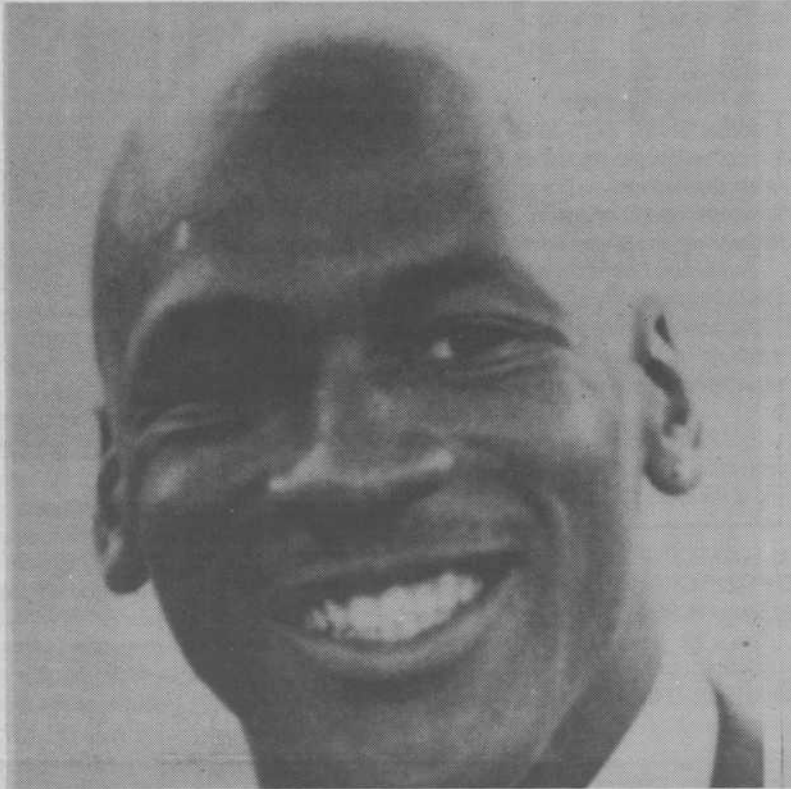

First of all, lets take a shot at all the people that frequent the sports books in 'Vegas or for those of you who are out of town and illegally play with a bookie. All you so called players that think you can win money on sports, what a joke. If you go back to the first time you ever made a bet, and totaled up all your winnings and all your losers, you will find yourself in the red. Now, once again look in the mirror.

Only you know if your a compulsive gambler, and know if you need to stop. Are you in Gamblers Anonymous? Hell

no!!! You probably look at it as having fun.

What about during football season? Monday night rolls around, the guys are coming over, beer in the fridge and last but not least, you've got to have action on the game. Same with Michael on the fairway boys!!! The only difference is that your measly \$100 bet on the game, equals the tip for the caddy that is carrying Mike's clubs on the front nine.

You see, all Mike is doing is having fun on the golf course and making friendly wagers with his golfing buddies. The thing is,

with anybody, when you lose money, you chase it. If you don't win it back you end up way down. See all Mike has to do is endorse something new. He can afford to do the things that other people can't, and maybe that is why

everyone is shooting off at the mouth.

Don't worry about Mike's finances, he definitely doesn't care about yours. Hey parents, there are only two people that your kids need to be looking up

to, once again, return to the mirror!

Its just like Charles Barkley says in his new commercial - "Just because I can dunk a basketball, it doesn't mean I have to raise your kids."

Hey, there is no denying it, there are a lot of better things that can be done with thousands of dollars instead of putting it on the ol' chip shot, but its nobody business what Mike does with his cash.

Bottom line, Michael has four responsibilities: 1.) Michael Jordan 2.) Juanita Jordan 3.) The Jordan Kids, and, 4.) The 1993 NBA Finals.

If your so worried about Michael Jordan's bankroll, maybe you ought to mail him a certified invitation to play a little golf, obviously he's been on a cold streak. Even better, how 'bout a silence contest?

See which one of you can last longer!
